About Physics Wallah (PW)

Physics Wallah (PW) stands as India's leading EdTech unicorn, transforming the educational landscape with its innovative approach to learning. Founded in 2020 by visionary educators **Alakh Pandey** (Founder and CEO) and **Prateek Maheshwari** (Co-Founder), PW is headquartered in Noida, Uttar Pradesh, and is committed to democratizing education on a massive scale across the country.

At the age of 23, **Alakh Pandey** recognized the potential of YouTube as a platform to shape young minds and prepare them for the rigorous demands of competitive exams like JEE and NEET. Today, PW boasts a thriving community of over **90 lakh subscribers** on YouTube and **50+ lakh active users** on the PW App. The app's exceptional rating of **4.8**, backed by **4.55 lakh positive reviews**, makes it the highest-rated EdTech app on the Google Play Store.

Our Vision

At PW, Our Vision is To Provide Students With An Enriching Accessible, And Comprehensive Learning Experience. We Believe That Education Empowers Individuals, Organizations, And Communities, By Giving Them The Autonomy To Shape Their Futures.

Our Mission

At PW, Our Mission Is To Prioritize Students In Education, Helping Them Unlock Their Full Potential. We Are Dedicated To Fostering A Passion For Learning And Providing A Solid Academic Foundation. Our Aim Is To Equip Students With The Skills And Knowledge Necessary To Achieve Their Dreams And Make A Meaningful Impact.

Maintain Honesty & Transparency In All Interactions.

About the School Integrated Program by Physics Wallah

The **School Integrated Program (SIP)** by Physics Wallah is an innovative educational initiative designed to elevate the academic performance of students by seamlessly integrating competitive exam preparation within the school curriculum. This program is a comprehensive solution that brings the best of Physics Wallah's educational expertise directly to your school, providing students with the tools they need to excel in both board exams and competitive entrance tests like JEE, NEET, and Olympiads.

Program Objectives

Prepare for the Future

Equip students with the tools to excel in school exams, board exams, Olympiads, & competitive exams such as JEE and NEET.

Build Confidence

Support academic growth, instill exam confidence, and prepare students for future scientific endeavors.

Collaborative Growth

Build lasting partnerships with schools, ensuring shared success and improved academic performance.

Engage and Excite

Create an enjoyable and dynamic learning environment for students of all abilities.

Beyond the Basics

Enrich the standard curriculum with tailored classes, personalized doubt-clearing sessions, and advanced problem-solving methods.

Benefits for Students and Parents

Time-Saving:

In-school academic training eliminates the need for external coaching, saving students up to 50% of their valuable time.

Economical:

The program offers a competitive fee structure, making premium education affordable for all.

Single Point of Contact:

Parents benefit from streamlined communication & accountability with one point of contact for their child's entire academic journey.

Hassle-Free:

A one-stop solution that eliminates the need for multiple commutes, ensuring security & stability for students while saving time.

Consistent Academic Guidance:

All preparation is conducted on -campus, with regular assessments, eliminating the need to manage multiple schedules.

Holistic Development:

The program allows students to balance self-study, sports, and extracurricular activities, promoting overall growth and confidence.

Testimonials

Mr. Pravin Gajera

Founder, Jay Ambe Group of school

Despite the late collaboration, we've been delighted by the positive response from our students. The timely execution of classes by the PW team and the exceptional quality of service provided have exceeded our expectations. Implementing SIP in our senior batches has not only benefited those students but has also boosted admissions in other classes.

Ms. Shruti Sharma

Principal, Delhi International School

From the starting of this programme, the DIS and PW teams have been working in cohesion understanding each other's strengths and working towards making our 'best better each day'. The PW team is incredibly cordial, responsive, and attentive to the needs of our students. We truly recommend and appreciate PW for top-notch curriculum catering to JEE and NEET preparation alongside excelling in CBSE courses for outstanding results.

Mr. Girish Srivastav

Director - Central Operations, LP Savani Group of Schools

We are incredibly pleased with our decision to partner with The Physics Wallah for our School Integrated Program. The comprehensive support system provided by PW has empowered our students, both in the foundation and senior wings, to pursue their aspirations in professional fields. We are confident that this partnership will have a positive impact on the future of our students and the educational landscape in Surat.

Mrs. Deepa S

Vice principal, Whitefield Global School

PW team's dedication and expertise have been instrumental in guiding our students through their competitive exam preparations and in fostering academic development. The tailored approach, commitment to excellence, and unwavering support you have offered have significantly contributed to our students' success and growth. We highly value our partnership and look forward to continuing this productive and mutually beneficial relationship in the future.

Mr. Vikas Soni

Chairman - Sony Academy Bharatpur

Our partnership with Physics Wallah has been nothing short of transformation. The comprehensive curriculum, tailored to meet the demands of competitive exams while seamlessly integrating with school education, has taken learning to another level. In conclusion, I wholeheartedly endorse the School Integrated Program by Physics Wallah. It's not just an educational initiative; it's a celebration of learning that empowers students to realize their dreams! Let's continue this inspiring journey together!
