

# 16-Day Classic Namibia Safari

## The Ultimate Journey Through Namibia's Wild Heart

Embark on an extraordinary odyssey through one of Africa's most captivating landscapes. This meticulously crafted 16-day expedition unveils Namibia's raw beauty, from the towering crimson dunes of Sossusvlei to the wildlife-rich plains of Etosha National Park. Experience the perfect symphony of desert solitude, coastal adventures, and thrilling safari encounters in unparalleled luxury.

# Trip Highlights

Discover the extraordinary diversity that makes Namibia one of Africa's most compelling safari destinations. From ancient desert landscapes to prolific wildlife encounters, each region offers its own magical story.

## Sossusvlei & Namib Desert

Towering red dunes reaching 300 metres, the haunting white clay pan of Deadvlei with its 900-year-old camel thorn trees, dramatic Sesriem Canyon, and world-class stargazing beneath pristine desert skies.

## Swakopmund & Skeleton Coast

Charming coastal town with German colonial architecture, thrilling adventure activities like sandboarding and quad biking, plus the mysterious Skeleton Coast with its shipwrecks and desert-adapted seals.

## Damaraland

Remarkable desert-adapted elephants roaming ancient riverbeds, UNESCO World Heritage Twyfelfontein rock engravings dating back 6,000 years, and dramatic granite outcrops sculpted by millennia of erosion.

## Kaokoland & Opuwo

Authentic encounters with the semi-nomadic Himba people, exploring remote valleys where few travellers venture, and experiencing some of Namibia's most rugged and pristine wilderness areas.

## Etosha National Park

Game drives across the legendary salt pan and surrounding savannah, encountering black and white rhino, desert-adapted elephants, lions, leopards, giraffes, and over 340 bird species at natural waterholes.

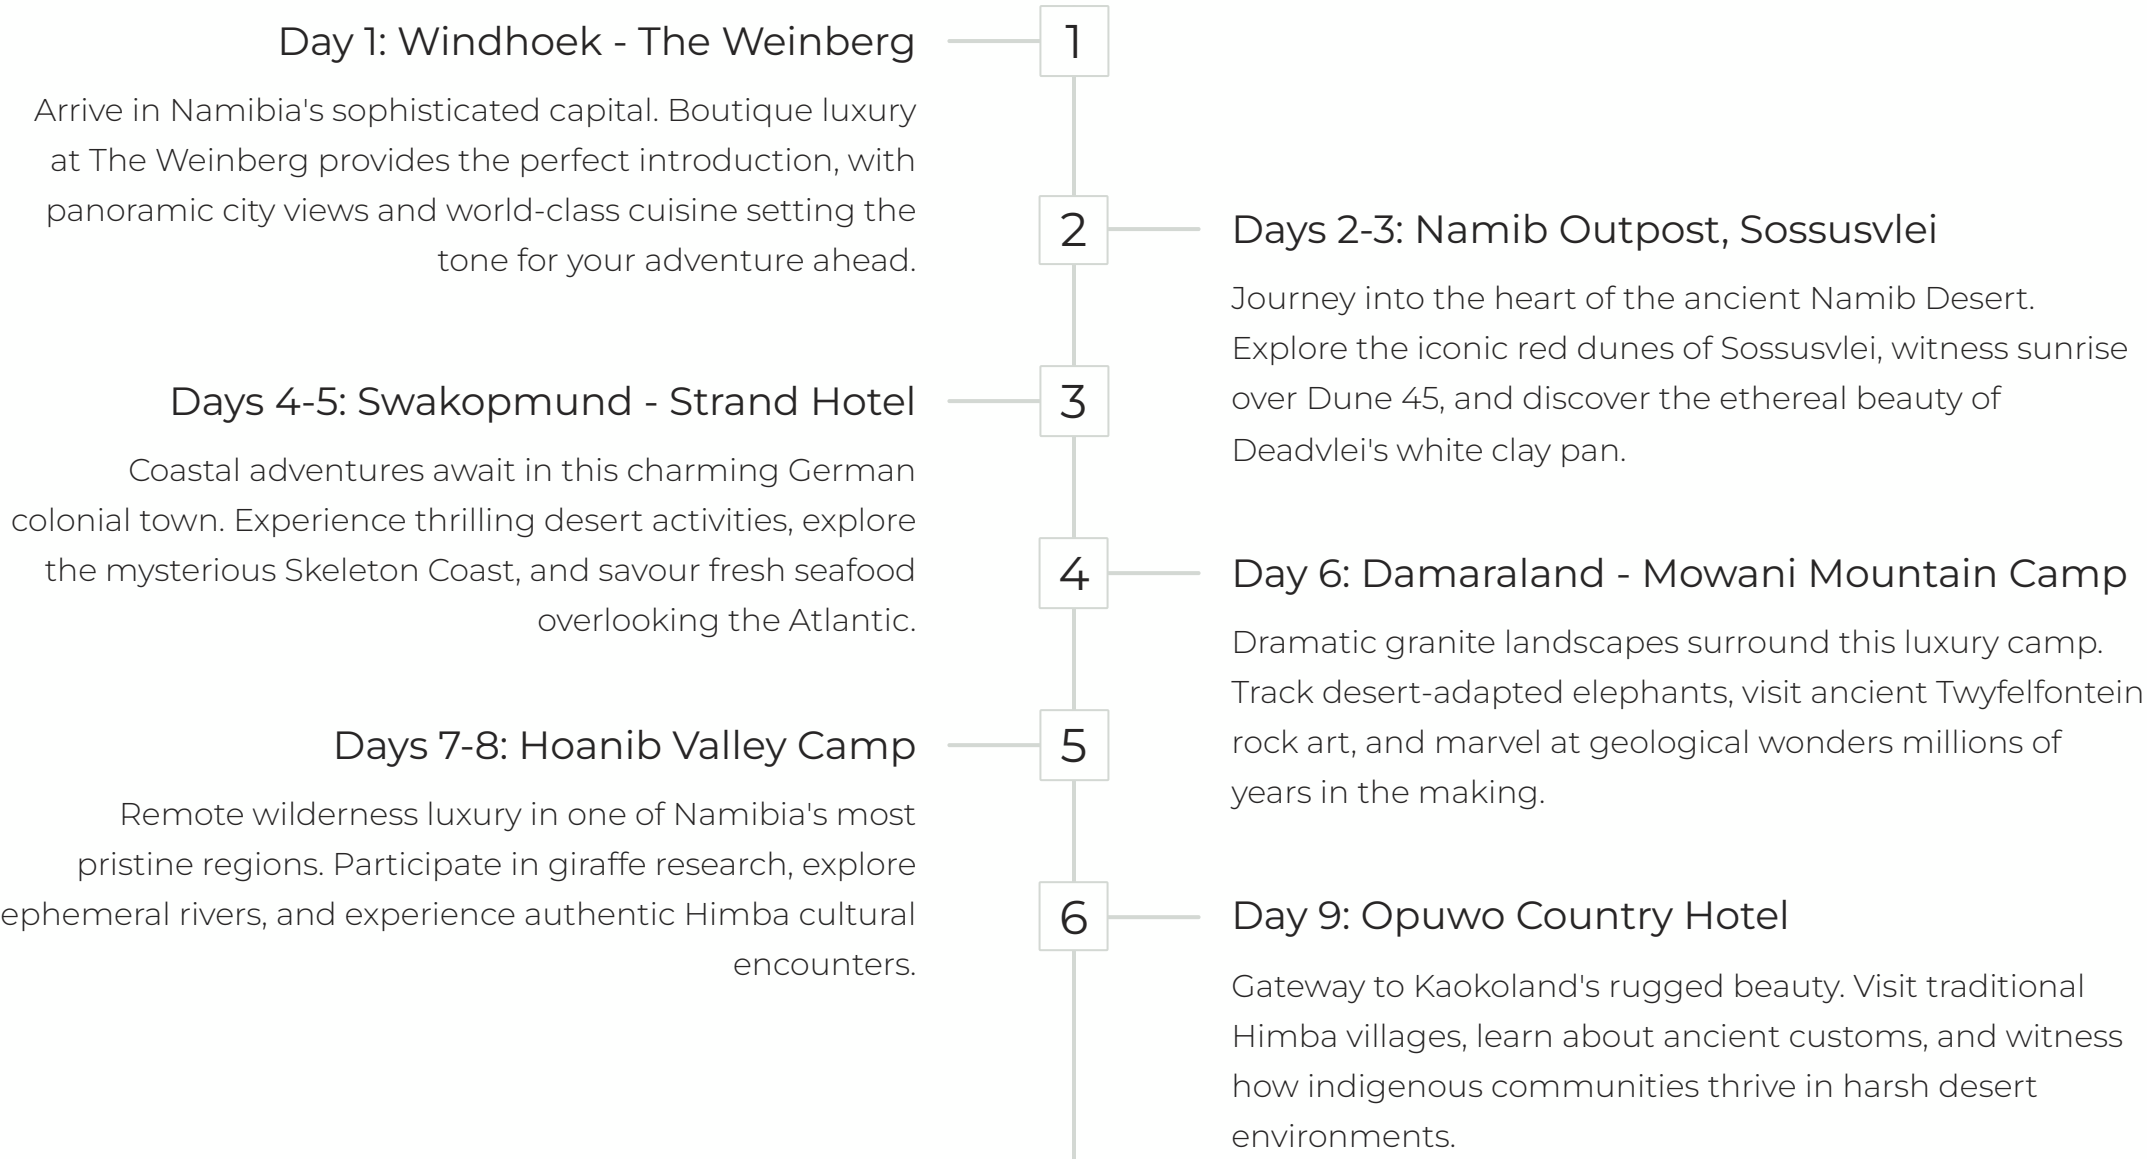

## Okonjima Nature Reserve

World-renowned AfriCat Foundation's big cat conservation efforts, exciting leopard and cheetah tracking experiences, and contributing to vital research protecting Namibia's predators.
