LIME: UNIQUE POSITIONING – SOPHISTICATED CLIENTS – STIMULATING WORK AND CULTURE

LIME is a growing boutique law firm specialised in corporate and financial law, including in corporate IT.

LIME's experience stems from its practice in corporate and finance law in M&A, venture capital, start-ups and scale-ups, including tech ones, with aspects of platforms structuring, protection of innovation, and know-how, IT contracts, governance, etc.

It is LIME's conviction that a sharp approach to digital aspects of the functioning and activities of companies has become essential in order to offer the level of quality of services in corporate and financial law that we wish to provide to our clients.

LIME has over the years developed this approach both for tech companies as well as those operating in more traditional sectors that integrate digital technology into their strategy and daily operations.
