

Curriculum Overview

What makes Little Apples Unique

At Little Apples we believe that the right start builds happy, active learners for life. To achieve this the educators and the environment here need to help the children to

S - safe
H - happy
I - interested
N - nurtured
E – engaged

The 3 I's

Intent

*We have a set of **ASPIRATIONS** for each of our age-groups, detailing the key skills and knowledge we aspire for them to learn while they are at Little Apples.*

The small steps they will take on the way to these will build a wealth of knowledge and skills.

Each child also has an individual goal.

British Values. Inclusion. Communication

Implementation

We will help the children learn these skills and knowledge by offering:

Core experiences

Core resources

Vibrant, relevant environment

Core Themes and topics

Core books, rhymes and displays

Impact

Tapestry Scrapbooks New goals Gallery Parent contacts

Characteristics of effective learning
