

LOCATE  
ISLE OF MAN

## RELOCATION EVENTS

SINCE 2021

# Background

## *Relocation Events*

Locate Isle of Man understands that relocating to the Island can be an isolating, and at times, lonely and daunting experience. They also recognise the vital role that community plays in retaining skilled professionals in the Isle of Man. In response, they hosted their first Relocation Event in 2021.

Since then, Locate Isle of Man has facilitated a variety of Relocation Events, including beach evenings, wine tasting, pottery painting, railway adventures, and walking excursions.

Feedback from attendees has highlighted the importance of these events, with some describing them as the primary way they've made friends and found a sense of belonging since moving to the Isle of Man.

To date, 324 individuals have attended Locate Isle of Man's Relocation Events over the past 4 years.
