

River Movement Schedule

June to August 2021

South Sudan

This is a live document and is only intended to display tentative movement departures. The Logistics Cluster will be coordinating barges/boats after consolidating adequate cargo to convene a convoy. Last minute changes are possible. The services may be withdrawn before this date in part or in full, for any of the following reasons: changes in the situation on the ground; no longer an agreed upon/identified need; or funding constraints.
