TRANSHIPMENT OPERATIONS

To meet the need for support in accessing vulnerable populations and prepositioning relief supplies, since 2014 the Logistics Cluster has facilitated the transshipment of UN agencies' cargo being transported cross-border into Syria through UNSC-authorized border crossings. COORDINATION & INFORMATION MANAGEMENT

In an effort to address common logistics gaps, minimise duplication of effort, and enhance operational decision-making, the Logistics Cluster holds regular coordination meetings in Gaziantep, as well as collecting, analysing, and sharing critical information. In 2021, **6 meetings** have been held, with **63 attending organisations.**
