Partners were also informed about the current warehouse information for Mekele. The total size of the warehouse is 1,600 m². Currently, 521 m² are being occupied by cargo on behalf of seven partners, representing a warehouse occupation of 32%.

4. Humanitarian convoys

- Partners were informed that no convoys with humanitarian supplies arrived in Tigray since 18 October.
- The Logistics Cluster shared that there are currently 162 Logistics Cluster facilitated trucks of 40 mt in Semera waiting for the convoys to resume. These trucks include: 31 Logistics Cluster-facilitated trucks on behalf of 12 partners and 131 partner trucks coordinated by the Logistics Cluster on behalf of four partners.

6. FAQs and Partner Discussion

- Partners were asked to give the highlights of the humanitarian operations for the past week.
- Four partners shared that they received some fuel from the local government, and one partner also reported being in the process to receive some fuel from the local government.
- Some partners flagged that cash is the main challenge currently.

The next Mekele Logistics Cluster Coordination Meeting is scheduled for 23 November 2021 at WFP Conference Room 15:00 EAT and online.
