Ukraine Logistics Cluster
Coordination Meeting Minutes, Dnipro
20 May 2022

LOCATION
Dnipro, Ukraine

DATE
20 May 2022

CHAIR
Ukraine Logistics Cluster

PARTICIPANTS
Action Contre la Faim (ACF), HI-Atlas Logistique, International Committee of the Red Cross (ICRC), Norwegian Refugee Council (NRC), People in Need (PIN), Première Urgence Internationale (PUI), Solidarités International, UK-Med, United Nations Office for the Coordination of Humanitarian Affairs (OCHA), Vostok SOS, World Health Organization (WHO)

ACTION POINTS
• Partners to submit incoming pipelines for planning purposes.
• Partners are encouraged to reach out to the Logistics Cluster Support Team on current challenges, as well as to propose topics and potential presentations for coordination meetings.

AGENDA
1. Situation update
2. AOB

1. Situation update

COORDINATION AND INFORMATION MANAGEMENT
• Muhamad Al-Nasser (muhamad.al-nasser@wfp.org) was introduced as the incoming Logistics Officer for the Logistics Cluster’s coordination cell in Dnipro.
• To support operational planning the Logistics Cluster asked partners to submit incoming pipelines. If needed, the Logistics Cluster can provide a template. For more information please contact Ukraine.logisticscluster@wfp.org.
• Partner interviews for the Logistics Cluster Gaps and Needs Analysis (GNA) exercise will commence next week. The inputs provided in these discussions will be central to ensuring the cluster has an in-depth understanding of the current challenges. Insights will also help shape the development of the Logistics Cluster’s strategy and ongoing services for the Ukraine operational response.
• The latest Concept of Operations (ConOps) document can be found here. Partners are reminded that this is a live document and activities will be adapted and revised as the situation unfolds and further assessment results become available.

COMMON SERVICES
• An update was provided on Logistics Cluster operations out of Dnipro:
  o The Logistics Cluster will be facilitating access to a new warehouse in Dnipro next week (capacity 4,500 m2). The warehouse will have open space for stackable goods.

https://logcluster.org/ops/ukr22a
The Logistics Cluster is also facilitating access to transport services on behalf of partners to green areas within eastern Ukraine, as well as inter-agency humanitarian convoys. 10 and 20 mt trucks are available for these services.

- Partners were reminded that common services are facilitated through the Logistics Cluster according to the SOPs, available on the website.
- In April the team supported humanitarian organisations in the movement of cargo to hard-to-reach areas:
  - On 4 April, the team supported the delivery of 50 mt of humanitarian aid on behalf of three partners, for the fourth inter-agency convoy headed for Sievierodonetsk.
  - For the fifth humanitarian inter-agency convoy to Chernihiv, the Logistics Cluster facilitated cargo consolidation and access to a dedicated fleet of trucks, carrying 159 mt of humanitarian cargo on behalf of four partners.
  - On 26 April, the Logistics Cluster facilitated the transport of 78 mt of humanitarian cargo from Dnipro to Mykolaiv on behalf of six partners, in support of last mile deliveries to Ukraine’s southern areas.

2. AOB

- The Logistics Cluster provided an overview of how green and red zones are defined within the operational context to support transport planning.
- Partners expressed challenges in relation to limited transport capacity to hard-to-reach areas. Logistics Cluster advised that, dependent on results of the GNA, a potential solution could be facilitating access to a dedicated fleet of trucks out of Dnipro into eastern areas.
- It was agreed that meetings in Dnipro would take place on Fridays, every two weeks. The next meeting will be available with online dial-in links, as well as in person.
- Partners are encouraged to reach out to the Logistics Cluster Support Team on current challenges, as well as to propose topics and potential presentations for coordination meetings. For further information on this or Logistics Cluster activities please contact ukraine.logisticscluster@wfp.org.

The next Logistics Cluster Coordination Meeting in Dnipro will take place on Friday 3 June
