UNHAS Democratic Republic of the Congo Weekly Flight Schedule Effective from 01 September 2023

Connections between two different flights on the same day will typically be observed as per the schedule and table below, only between Malta, locations where a UNHAS aircraft is stationed or base, all other potential connections with destinations in this schedule will be observed case by case.

IMPORTANT REMARKS:

- UNHAS service is available only to humanitarian agencies or organizations directly engaged in humanitarian and/or development activities.
- The UNHAS service is subject to the following
- An agency or organization must submit a booking request, either electronic or paper-based, to the UNHAS Office no later than one month in advance.
- Each booking request must be submitted at least one week in advance of the flight day.
- A booking rejection or modification will be sent to the agency or organization at least one week in advance.
- Reservations are subject to the availability of aircraft.
- Passenger and Cargo rates are subject to change without notice.
- Special flights are subject to availability of aircraft and resources.
- Contact UNHAS for further information.
