Action points

**Egypt boarder Customs Clearance agent list**

- The Logistics Cluster will share WFP Egypt custom clearance agent list with partners.

**Convoy Routes**

- The Logistics Cluster to follow up with the CMCoord to share the route mapping.
- CMCoord are working on this however with access being extremely difficult and changing on a regular basis this is still work in progress.
The IMPACCT Working group developed a tool to collect data from partners for procedures and clearance processes in importing supplies. Further information and documentations can be found in the Logistic Cluster IMPACCT box.

Brought up in AWG was backlog of trucks on the Egypt side of the border — any info?
Chad-Sudan- X-border Logistic Coordination Group update

Gaps & Needs:

- Partners identified Farchana as a storage bottleneck.
- Partners mentioned the lack of available dedicated storage capacities for the Cross-border operation.
- Partners agree on the need to mutualize current storage capacities.
- A Partner identified the need for a transshipment hub.
- Partners do not believe transport to be a significant gap in the operations.
- Overall coordination & IM has been identified as a gap.
- Partners requested a specific advocacy and support to increase storage capacities.
Chad-Sudan- X-border Logistic Coordination Group update

General Update:
- Atlas Logistique is offering free-to-user storage service in Adré for partners. The current space includes 3 Mobil Storage Units (MSUs)
- Lead time and truck capacities during the rainy seasons are:

General updates: Sudan Logistics Cluster

- CCoord request for Eastern SDN movements

- Delays in customs, increasing bureaucratic impediments, what are they, as we can send bullet points to AWG, which we discussed about how we elevate these.

- Cold store-PZU- WFP contracting process nearly completed, online for Sept operation until then we can share demands on mailing list or use whatsapp chat for organisations to support.

- New Regional LCC should be in next meeting.
