The Committee of Emergency Situation and Civil Defense (CoES) led the conduct of the National Simulation Exercise in July, incorporating for the first time logistics coordination, information sharing, and operational setup.

The 5-Year National Logistics Preparedness Action Plan was endorsed by Tajikistan’s National Platform for Disaster Risks Reduction in September, marking the FBPP transition of logistics preparedness activities to national ownership.

Information represented in this document is based on the most accurate data currently available from the Field Logistics Cluster staff supporting the emergency response operation. It may be revised or updated as new, or more complete data becomes available.
