Organizations

1. International Organization for Migration (IOM)
2. United Nations High Commissioner for Refugees (UNHCR)
3. United Nations Office For Coordination for Humanitarian Affairs (UNOCHA)
4. World Health Organization (WHO)
Action points

• The Logistics Cluster to conduct refresher training for all core pipeline teams (IOM) to familiarize them with Logistics Cluster documentations.
Air Operations Updates

• The Logistics Cluster Chartered fixed wing Buffalo 7Q-STB is dedicated to supporting the Sudan Response from Juba to Renk.

• The Helicopter is used on an ad-hoc basis to hard-to-reach locations depending on the criticality of the items defined by the Organizations.

• The Logistics Cluster has registered over 90 mt of multi-sectoral items to be dispatched to various locations within Jonglei and the surrounding
NJ and GPAA Road Convoy Updates

• Reduced funding = The Logistics Cluster will not be able to fly to locations that are accessible by road/river as these modalities are significantly cheaper than air transport.

• The cluster will not move large volumes of cargo by air during the rainy season for organizations who failed to preposition.

• Logistics Cluster will not move large volumes of construction materials by air (recent request of 160mt denied.)
River Operations Updates

- River transport is supported through WFP’s On-Demand Service (ODS), 100% full cost recovery.

- The next river movement is a one-off free delivery to Renk under the Logistics Cluster budget for the Sudan responses. The movement will have no stopover, however, request for any other location along the route shall be fully paid by the individual organization requesting the service.

- All Logistics Cluster partners are encouraged to use the river to preposition cargo to locations along the Nile and find alternative options for last-mile deliveries.

- Partners should submit requests for the next river convoy, following similar procedures.
Common Transport Service (CTS)

- Three trucks are operating in Bor for Common Transport Service (CTS), they are being tasked for shunting cargo from the Warehouses to the airstrip/River side, and to support LC partners in moving cargo within Bor town and surrounding area within the limit of 15 Km from Bor Town. All three trucks are operational.

- Always share with us the exact tonnage to be transported to help in planning the number of rotations to allocate, fill an SRF and share it to co_ssd_borlogcluster_user_list@wfp.org

November 2023
Logistics Cluster South Sudan
• 2 days BHL training with a major focus on (Warehouse Management) was successfully conducted in Lankien from 20 to 21 November 2023.

• 32 humanitarian Logisticians from both INGOs and NNGOs were equipped with best practices of warehouse management.
A.O.B

- Partners requested the Logistics Cluster to share notification emails about the deep field training, LCA, and cross-border assessment.
- OCHA colleagues requested LC to participate in Humanitarian coordination forums to share information.
