

Creating great homes together

Role Profile

Position

Building Safety Surveyor

Reporting to

Contracts Manager (Building Safety)

What you can expect

We're a magnificent place to work, where talented and ambitious people enjoy rewarding, purposeful and fulfilling careers in an inspirational environment.

- Being part of a fast paced, adaptable and highly collaborative environment.
- First class training & support to learn new skills that will set you apart.
- Working with talented and ambitious colleagues.
- At Magna, we are committed to your growth and professional journey. We offer ample opportunities for further training and development, empowering you to excel in your career. Our comprehensive benefits package underpins our commitment to your well-being and includes a generous Pension Scheme, Health Care Cash Plan, Wellbeing Portal and Employee Assistance Program. These resources are designed to support both your mental and physical health, ensuring your success in both personal and professional aspects of life.
- We actively support our local communities and encourage employee involvement by offering one paid day per year for volunteer activities alongside access to Credit Union facilities and Colleague Voice. You will also benefit from Company Sick Pay and a competitive annual leave entitlement, which increases progressively with your length of service over the first five years.

What you are known for

- Prepared to go the extra mile, with a flexible approach to allow you to meet the needs of our customers.
- Passionate about all things relating to building safety and providing great homes.
- Have new ideas that improve the work that Magna does.
- Communicate in an engaging, no-nonsense and informative way.
- Outcome oriented approach to problem solving and getting the job done.

What you take care of

- This is a key role in helping Magna deliver fire related improvement works,
- You will be part of a team, that will survey, specify, procure and deliver fire safety works.
- You will interpret fire risk assessments and ensure recommendations are implemented.
- You will play a key role in consulting and liaising with our customers.

What you need to be successful

- You will have experience of surveying, specifying and managing fire safety work.
- You will need to engage with all areas of the business in a 'one team' approach, sharing your technical knowledge and providing advice and support in compliance.
- You will have excellent customer facing skills with strong technical knowledge in all safety and fire safety areas to our customers homes.

Qualifications required

Applicants with transferrable skills are encouraged to apply.
