

Creating great homes together

Role Profile

Position

Compliance Manager

Reporting to

Head of Building Safety, Compliance & Home Services

What you can expect

We're a magnificent place to work, where talented and ambitious people enjoy rewarding, purposeful and fulfilling careers in an inspirational environment.

- At Magna, we are committed to your growth and professional journey. We offer ample opportunities for further training and development, empowering you to excel in your career. Our comprehensive benefits package underpins our commitment to your well-being and includes a generous Pension Scheme, Health Care Cash Plan, Wellbeing Portal and Employee Assistance Program. These resources are designed to support both your mental and physical health, ensuring your success in both personal and professional aspects of life.
- We actively support our local communities and encourage employee involvement by offering one paid day per year for volunteer activities alongside access to Credit Union facilities and Colleague Voice. You will also benefit from Company Sick Pay and a competitive annual leave entitlement, which increases progressively with your length of service over the first five years.

What you are known for

- A highly effective communicator able to engage with all stakeholders.
- Leading and developing a high performing customer obsessed culture – delivering the company vision and targets for customer satisfaction.
- An agile approach to project delivery, putting customer experience at the heart of outcomes.
- The ability to multi-task, manage time, be reactive and work to tight deadlines.
- Focus on analysing data to target improvements, inform decision making and drive performance.
- Inspiring teams to foster a shared purpose of excellence.

What you take care of

- Delivery of all electrical operations works, including testing and remedial programmes and response and planned works including new heating and rewires ensuring operational performance criteria are met and exceeded.
- Delivery of the heating and servicing programmes, ensuring accurate completion and maintenance of heating servicing records in accordance with Magna policies and procedures following the industry standards and requirements, safeguarding all certification.
- Delivery of programmes of works to achieve compliance in relation to fire safety following FRA's, across all of Magna's stock.
- To ensure technical and quality standards are met with safe working practices to ensure that all properties are compliant, certificated and are maintained to industry and Magna standards.
- Effectively manage & report information to HoS on budgets, spend, accurate forecasting data ensuring strong financial control.

What you need to be successful

- Practical knowledge and competence in the current edition of BS:7671, inspection, testing and commissioning of installations
- Knowledge and aptitude of regulatory and mandatory obligations with respect Gas installation, servicing, and maintenance
- Significant understanding of building safety best practice and compliance legislation within the housing sector
- Experience of managing multi trade teams in a social housing environment
- A recognised industry standard Health and Safety qualification
- Level 4 or 5 qualification in a construction or equivalent
- Management qualification or equivalent
- Valid UK driving license
