

Creating great homes together

Role Profile

Position

Electrician

Reporting to

Electrical Supervisor

What you can expect

We're a magnificent place to work, where talented and ambitious people enjoy rewarding, purposeful and fulfilling careers in an inspirational environment.

- Join us at Magna, where you will be an integral part of our Building Safety and Compliance team, dedicated to ensuring the highest standards for our customers and facilities. In this supportive and collaborative environment, your role will not only be impactful but also rewarding.
- At Magna, we're committed to helping you grow in your career. We offer training and development opportunities, and our learning and development team will support you with this.
- We provide a comprehensive benefits package to support your well-being, which includes a generous pension scheme, health care cash plan, wellbeing portal, employee assistance programme, access to Credit Union facilities and our Colleague Voice employee group. These resources are designed to support both your mental and physical health.
- We actively support our local communities and encourage colleague involvement by offering one paid day per year for volunteering.
- You'll also receive from company sick pay and a competitive annual leave entitlement, which increases over the first five years.

What you are known for

- Having a positive attitude, always remaining polite and approachable.
- Being able to work without supervision.
- Being a team player, working with others to achieve the team's objectives.
- Being willing to use IT equipment as appropriate.
- Being willing to learn new trade related skills including new technologies. Furthermore, a commitment to continuous personal and professional development is essential, ensuring that they remain at the forefront of industry advancements.

What you take care of

- Carry out electrical work to a high standard, ensuring compliance with Part P requirements.
- Deliver, responsive electrical repairs across our properties and communal areas, using strong fault-finding skills and where needed installation work, including Electrical Installation Condition Reports (EICRs) in occupied homes and any remedial work required for compliance. You may be responsible for one area or both, depending on service need.
- Complete and submit all required paperwork and electronic forms within the agreed and permitted timescales.
- Participate in the out of hours rota.

What you need to be successful

- Ability to work without supervision and take ownership of own work.

Qualifications required

Applicants with transferrable skills are encouraged to apply.

- Time served apprenticeship or C&G/NVQ Level 3 in Electrical Installation.
- City and Guilds 2391 or equivalent in Testing & Inspecting City and Guilds 2382-18 18th Edition Amendment 2 or equivalent.
