Position

FRA Carpenter

Reporting to

Trade Team Manager

What you can expect

We're a magnificent place to work, where talented and ambitious people enjoy rewarding, purposeful and fulfilling careers in an inspirational environment.

- A working environment where the safety of our colleagues is our main priority.
- A rewarding and fulfilling career through development, training and colleague support.
- At Magna, we are committed to your growth and professional journey. We offer ample opportunities for further training and development, empowering you to excel in your career. Our comprehensive benefits package underpins our commitment to your well-being and includes a generous Pension Scheme, Health Care Cash Plan, Wellbeing Portal and Employee Assistance Program. These resources are designed to support both your mental and physical health, ensuring your success in both personal and professional aspects of life.
- We actively support our local communities and encourage employee involvement by offering one paid day per year for volunteer activities alongside access to Credit Union facilities and Colleague Voice. You will also benefit from Company Sick Pay and a competitive annual leave entitlement, which increases progressively with your length of service over the first five years.

What you are known for

- Have great attention to detail.
- Prepared to go the extra mile, with a flexible approach to allow you to meet the needs of our customers.
- Have new ideas that improve the work that Magna does.
- Able to communicate effectively in a range of different circumstances.

What you take care of

- To be responsible for carrying out appropriate building maintenance repairs, including all aspects of carpentry works to properties in an efficient and effective manner, in accordance with the requirements of current legislation and regulation.
- To work within remits listed by a dedicated approved body.
- To consult and liaise with our customers on the delivery of works ensuring their expectations are met.
- Complete all tasks carried out on PDA device.

What you need to be successful

- Experience in working with FRA/fire doors/fire protection works and relevant regulations.
- A strong background in carpentry and joinery.
- Experience on working on social housing fire risk assessments.
- Knowledge of up-to-date FRA regulations.
- Ability to carry out other related skilled work that may be necessary, such as patch plastering, vinyl floor laying, UPVC door and window repairs, decorating.

Qualifications required

Applicants with transferrable skills are encouraged to apply.

- NVQ, equivalent or time served experience in carpentry.

Approved: V1/
