

Creating great homes together

Role Profile

Position

Retrofit Assessor Surveyor

Reporting to

Project Manager

What you can expect

We're a magnificent place to work, where talented and ambitious people enjoy rewarding, purposeful and fulfilling careers in an inspirational environment.

- At Magna, we are committed to your growth and professional journey. We offer ample opportunities for further training and development, empowering you to excel in your career. Our comprehensive benefits package underpins our commitment to your well-being and includes a generous Pension Scheme, Health Care Cash Plan, Wellbeing Portal and Employee Assistance Program. These resources are designed to support both your mental and physical health, ensuring your success in both personal and professional aspects of life.
- We actively support our local communities and encourage employee involvement by offering one paid day per year for volunteer activities alongside access to Credit Union facilities and Colleague Voice. You will also benefit from Company Sick Pay and a competitive annual leave entitlement, which increases progressively with your length of service over the first five years.

What you are known for

- Prepared to go the extra mile, with a flexible approach to allow you to meet the needs of our customers.
- Enthusiastic about all things related to building safety and providing great homes.
- Be curious and have innovative ideas that improve the work that Magna does.
- Communicate in an engaging, no-nonsense, and informative way.
- Outcome orientated to problem solving to ensure that the job is completed right, first time

What you take care of

- This is a key role in helping Magna deliver our purpose of creating great homes together.
- You will be part of a team, which will be modelling our homes to achieve decarbonisation in our asset investment programme. You will deliver these improvements programmes to our customers.
- You will play a key role in consulting and liaising with our customers directly to resolve issues and be an ambassador for Magna.

What you need to be successful

- You will be skilled in advising and implementing programmes that achieve a cost-effective and beneficial route to achieve our carbon aspiration that enables homes to be maintained to the required regulatory and statutory standards.
- You will need to engage with all areas of the business with a 'one team' approach, which builds and maintains relationships with our customers and colleagues.
- You will have excellent customer facing skills with good funding knowledge and building physics.

Qualifications required
