

Creating great homes together

# Role Profile

**Position**

**Senior Systems & Project Accountant**

**Reporting to**

**Head of Finance**

## What you can expect

We're a magnificent place to work, where talented and ambitious people enjoy rewarding, purposeful and fulfilling careers in an inspirational environment.

- Directly influencing and shaping the Finance reporting processes at Magna.
- A fast-paced, adaptive and highly collaborative environment.
- Encouragement to try new approaches and new ways of getting things done.
- Working with talented and ambitious colleagues.
- Excellent benefits package.
- At Magna, we are committed to your growth and professional journey. We offer ample opportunities for further training and development, empowering you to excel in your career. Our exceptional benefits package reflects our commitment to your wellbeing and includes a generous pension scheme and a comprehensive cash back health care scheme. We also support our local communities and encourage you to get involved by taking one paid day a year to volunteer.
- In addition to our extensive benefits package, you will receive 25 days of holiday annually, which can increase to 30 days after five years of service. Our wellbeing portal and employee assistance program are tailored to support both your mental and physical health, ensuring you thrive in both your professional and personal life.

## What you are known for

- Being the internal expert on Finance systems, ensuring relevant controls and authorisations are always in place.
- Using data and insight to provide continuous improvement within systems and process.
- Leading and co-ordinating business wide projects, including annual business plans and regulatory returns.
- Strong financial and reporting understanding related to SORP and FRS 102 requirements, esp. Fixed Asset accounting.
- Strong stakeholder relationships - internally, regulatory and sector levels.
- An eye for detail but able to see the bigger picture.
- High levels of integrity and a strong ability to work to deadlines.

## What you take care of

- Leading financial system management within the organisation, ensuring all change projects retain compliant working.
- Project management, and activity of 30-year Financial Business Plan, Key Regulator Returns and other project reporting.
- Changes in reporting regulations.
- Leading Fixed Asset data preparation and reporting for the yearend financial statements.
- Supporting financial analysis of new development schemes.

## What you need to be successful

- Leadership Experience - as part of the senior finance leadership team.
- Thorough understanding of and track record of systems management.
- A communication style able to adapt to audience and situation - to gain buy-in and successful outcomes within projects.
- Strong personal values of integrity and accountability - an ambassador of Magna's vision and values.
- An understanding of the Social Housing Sector and it's regulatory and political landscape. CCAB finance qualification.

## Qualifications required

Applicants with transferrable skills are encouraged to apply.

- CCAB finance qualification.
