

## THE OLD LADY IN THE ALLEY - GOLFI PROMO VIDEO

### EXT. ALLEY WAY - DAYTIME

We see an old lady as she walks around downtown Hamilton into a sketchy looking alley. She's clearly lost, looking up at the buildings above. Fog rolls down the alley like a blanket of fear.

A rough looking man approaches her, he has a hard look on his face, eyes of steel.

THUG

What are you doing here? You shouldn't be here.

She holds onto her purse tight.

LADY

I was meeting my realtor, he was supposed to show me a condo at Market Place

THUG

It burned! It's gone!

There's a long pause, it feels like a threat, and then quite suddenly his demeanour changes.

THUG

(friendlier) Your realtor really shouldn't be showing you places around here. It's a rough neighbourhood. What you want to do is call Rob Golfi. Him and his team will take of you and set you up with whatever you need. They can help with buying, selling, leasing, you name it lady.

LADY

Oh my, that's very kind of you.

THUG

Don't mention it, just at the top of James street across from the hospital. The Golfi Team, they'd never bring you to a place like this.

LADY

Thank you.

### INT. GOLFI TEAM RECEPTION - DAY

The old lady walks in looking a lot safer and happier, she's greeted with a smile at the front desk. Cut to black.
