

SHORT FILM CASTING CALL

We are looking for 11-16 year olds from all backgrounds in Bristol to appear in a short promotional film about active travel in the city. Filming will take place in various locations around Bristol over 2 days in August 2021 (dates to be confirmed).

The film will focus on the different journeys you can take, such as cycling, walking, running, jogging etc highlighting that there are many ways to get around and that these can be enjoyable and fun. It will be used online and in paid online campaigns. Full usage terms will be outlined prior to filming. Although previous acting experience isn't essential, it is desirable.

If your child is interested in taking part in this production, please email casting@suitedandbooted.org by the 28th of July 2021 with the subject line 'Bristol Sustrans Film' with:

A head shot or recent photograph

Any previous examples of acting experience

Availability over August

Although not necessary please state if they can ride a bike/skateboard/rollerskate etc

We unfortunately cannot cover expenses such as travel, parking or food, but the roles will be paid based on experience. You must accompany your child on set at all times and make your own way to the central Bristol locations on the dates to be confirmed. The production will be following the most recent APA COVID-19 Shooting Guidelines at the time of filming.
