

Read should be off the cuff, natural and conversational.

The style should be like you are leaving a voice mail and wanting to just say to friend how amazing they are.

The read should not be cheesy or over friendly.

DEMO SCRIPT:

*Hey Rachel.*

*Has anyone ever told you that you're a just a bit amazing?*

*It seems that everywhere you go on your rounds, you put a smile on people's faces.*

*How do you do it?*

*You remember when it's Jacks birthday, and how Betty likes her tea and when Ian needs something without him asking.*
