

Bunn Leisure Technician Job Description

What is the job?

Venue Sound and Lighting Technician

What will I be doing?

You'll be part of a team providing technical support for a range of productions throughout the resort.

Duties will include;

- Mixing and operating audio, lighting and Qlab for in house productions, bands, DJs and acts
- Carrying out checks & maintenance on all technical equipment and set and scenery
- Assisting the rest of the technical team with get ins, set ups, and get outs
- Provide technical support to other park teams as and when required

What do I need to provide?

We ask all our freelancers to provide Public Liability Insurance with a coverage of at least £10 million
We ask all technicians to bring a pair steel toe cap boots

Where is the venue?

Bunn Leisure Holiday Park
PO20 9EL

Bunn Leisure is a large park, we advise staff to bring a form of transport where possible (car, bike)

Dates

Wednesday 10th November – Sunday 2nd January inclusive

Contract Details

£450 p/week based on 6 days on and 1 full day off
48hrs maximum per week including split shifts. Any overtime is given back in lieu

Accommodation

We have a limited number of basic university style accommodation available; you will share a flat with a communal kitchen and facilities with your team. All rooms are single occupancy and contain a single bed and mattress with fitted storage. This can be rented for a small weekly fee of £37.50
