

CONTRACTUAL video editor

BE FLEXIBLE

Looking for a professional video editor to go above and beyond in bringing my projects to life. Reach deadlines & tell a compelling story.

PROFESSIONAL

I'm looking for someone with imagination who can create a beautiful cut project, pick the best scenes from hundreds of clips.

COMMUNICATE

Efficient communication is crucial one bad edit can spoil the film. Be prepared to stand up for what you believe will make the look better.

ENTHUSIASTIC

Editing on a strict timeline at a fast pace. Timing is everything in editing the transition & placing! "mistakes are just not acceptable"

IDEAL STORY

Emotion is essential to creating a great story. Without input research & understanding it will not reach it's full potential - storyboard

IMAGINATION

Beautiful colour grades along with nicely placed transitions can make all the difference - DaVinci Resolve
