INT. LIVING ROOM - NIGHT

INDIE MUSIC PLAYING

The living room is being decorated, balloons, drinks, happy new year banner, medium-sized unopened boxes all over the room and small boxes on shelves, ALEX and STACEY are finishing placing snacks on the table and have just about finished everything.

ALEX and STACEY sit on the floor and pour wine into glasses. ALEX picks up her phone.

STACEY

Let me change the music, this is shit.

ALEX hands STACEY her phone. STACEY presses the home button.

STACEY

What, no password?

ALEX

I don't need a password.

STACEY

Freak.

MUSIC CHANGES TO HOUSE MUSIC, THROUGH THE SCENE THE MUSIC SEEMS TO CONNECT TO THE CONVERSATION.

STACEY

So, where is everyone?

ALEX

I don't know, should be here soon.

STACEY

(gossipy expression)

What about Sara and Adam?

ALEX

Oh, I heard about that, yeah, might be a bit awkward.

STACEY

Nah, here's what's gonna happen, they're gonna come together, happy expressions, pretend they're all good.

ALEX

(laughing, sarcastic)

Well then, we'll be fine.

STACEY

Then Sara's gonna flip and go all oscar the grouch on us.

ALEX

Hey, don't be bitchy about Sara.

STACEY

(sarcastic)

Ooh, sorry.

ALEX

But yeah, I mean I invited both of them before they started fighting so can't really do anything about that. But you know, I'm more concerned about Cassie.

STACEY

Yeah, about this Cassie, like, why?

ALEX

Why?

STACEY

Why didn't you tell your best friend
about this girl until now?

ALEX

Cause - I don't know, we kinda clicked
at the office christmas party so.

STACEY

(grabbing Alex's hand)

And what the fuck is this bracelet?
Did she give it to you?

ALEX

Maybe.

STACEY

Oh my god, she's stealing my best
friend. Take it off.

ALEX

No. It's fine, you'll always be my
best friend, Stacey.

STACEY

Take it off.

ALEX

I don't want Cassie to think I threw
it out.

STACEY

Take it off.

ALEX

I can't take it off.

STACEY

What?

ALEX

(laughing/anxious)

I can't.

STACEY

Lemme see.

They struggle to get it off.

STACEY

Yeah, okay, I officially do not trust
this girl.

!KNOCK ON DOOR

ALEX

(comedically)

That'll be her right now!

STACEY

Okay, but swear down if that's Josh-

ALEX stands up.

ALEX

Calm down, just get the door, I need
to fix my makeup.

STACEY

Wait, so I've got to answer the door?
What if it's Josh?

ALEX

(shouting)
It'll be fine!

TRACKING FOLLOWING STACEY BEHIND HER TO THE FRONT DOOR.

INT. HALLWAY - NIGHT

STACEY opens the door. It's PIZZA MAN. She sees a car driving
in and parking.

STACEY

Oh, thank god.

She takes the pizza in, she notices ADAM and SARA in the car
outside.

INT/EXT. CAR

ADAM and SARA. ADAM is on the phone. SARA is about to come
out of the car and ADAM stops her.

SARA

What?

ADAM
(on the phone)

Alright - Nah - You send them jack and jills down to the warehouse and tell mary pops to call me when the next shipment comes in - Nah mate that's all handled - should be done by day's dawning - alright - smashin' darlin'.

HANGS UP.

ADAM
Oi - can you stop looking so fuckin' blue, love?

SARA
Oh, charming.

ADAM reaches over to kiss her. She tries to get out of the car. ADAM pulls her back.

ADAM
Come on, I like it when you smile - now how was that modelling gig?

SARA
I don't have the patience for this, Adam, I'm going.

JOSH KNOCKS ON THE CAR WINDOW

SARA switches and pretends to be happy. She opens the car door.

SARA
Oh, hi Josh, how long you been standing there for?

JOSH
(cockney)
Oh, just a tinkle.

ADAM
You taking the piss outta me.

JOSH
Course love.

ADAM
Fuck off, mate.

SARA
Hi Tony!

TONY
Hi Sara. Looking nice today.

SARA
Thanks.

TONY
So you gonna come inside or what?

JOSH
Yeah, I'll meet you in there, just
gotta talk to Adam a sec.

TONY
Alright.

TONY and SARA walk off.

SARA
You go have fun, Tony, I'm just gonna
have smoke, ok?

TONY
Alright.

JOSH comes into the car with ADAM.

JOSH
What's up then?

ADAM
Yeah, it's all good, coming in the
morning, I'll drive to yours and we'll
pick it up at the warehouse.

JOSH
Cool cool.

JOSH gets a text from CASSIE. 'X' ADAM looks over.

ADAM
Whose that then?

JOSH
I don't know. Lemme check.

Scrolls to see picture on Whatsapp, she is covering her face in the mirror.

JOSH

Yo, I think that might be Cassie, how did she get my number?

ADAM

How'd you know this bird?

JOSH

Well I've seen her at work talking to Alex a few times but -

ADAM

There you go.

JOSH

What, you think Alex gave her my number?

ADAM

You're in there lad, telling ya.

JOSH

Well, she is kinda peng.

ADAM

Well then, I'd like to meet this right bird.

INT. LIVING ROOM - NIGHT

INDIE HOUSE MUSIC

TONY and STACEY standing with drinks.

STACEY

Seriously, what are you wearing?

TONY

What do you mean what am I wearing?
I'm wearing clothes.

STACEY

Yeah but that?

TONY

Oi, don't be mean to me or you won't get any of this.

TONY takes weed out of his back pocket.

STACEY
Is that alakazam?

TONY
Indeedio.

STACEY
Sweet.

EXT. STREET

SARA and JOSH walk up to the door, JOSH knocks on the door, ADAM grabs SARA's arm and pulls her back. They go round the corner where they couldn't be seen from the house. JOSH leaves the door open.

ADAM
(exhausted and pleading)

Look - let's not fight tonight, let's
talk about it tomorrow?

SARA
(quietly)

Talk about what, Adam? we're done.

ADAM
What do you mean we're done?

SARA
I don't wanna get into it tonight.

ADAM
(assertive)

Fine, just don't embarrass me,
alright?

ADAM and SARA walk in. WIDE SHOT OTS. The CHILD looking forward.

INT. LIVING ROOM

MONTAGE of PARTYING

JOSH, TONY, ALEX, SARA, STACEY and ADAM. TONY grabs ALEX's phone.

TONY
Yo, mind if I change the music?

MUSIC changes to DRUM N BASS.

STACEY looks at JOSH across the room, JOSH smiles back. JOSH looks at TONY and laughs. STACEY is scared JOSH might be laughing because of her, she rushes to the bathroom.

INT. HALLWAY

CLOSE UP OF THE FRONT DOOR, IT SLAMS SHUT.

INT. BATHROOM

STACEY breathing heavily, doing her makeup, looking at herself in the mirror.

STACEY
He likes me. He likes me. I'm gonna
get with him tonight. New year new me.

THE LIGHTS go out. A MOON GLOWS vaguely in the mirror.

STACEY
What the heck?

THE LIGHTS come back on again.

STACEY
Alex, your electric is shit.

INT. LIVING ROOM

JOSH TONY and ADAM are smoking weed on the sofa.

JOSH
Tony, where'd you find this?

TONY
What, not strong enough?

JOSH
Nah man, almost too strong, it's
great.

ADAM
Yeah, nice job, maybe I should hire
you.

TONY

I got it off my cousin, he works in a coffee shop in dam.

JOSH

Ah shit, so it's the real stuff. Adam wouldn't know that cause he's usually on that - what you say in cockney?

TONY/JOSH

(cockney)

Gianluca Vialli.

ADAM

You like to take the piss out of me a lot, you got one warning mate. Mind you I would be happy to indulge in a little line of the ol' lemon.

TONY

Knew it, you fuckin cokehead.

TONY sees ALEX talking to STACEY and SARA

TONY

Yo, Stacey, more alakazam?

STACEY

Yeah sure.

TONY

Alex? Trust me it's no different from the edibles.

ALEX

I don't trust you.

TONY

You don't trust your feyoncé?

ALEX

You haven't even asked me yet, and when's this wedding happening?

TONY smiles at ALEX, ALEX sticks her tongue out.

ALEX sits on the floor and takes TONY's blunt and tries it. She COUGHS, everyone laughs. ALEX is embarrassed.

CASSIE walks into the living room, we pan up from her feet,

she is holding a tray with a box and cups filled with a red drink.

JOSH

Oh!

JOSH shoots up and runs over to CASSIE. STACEY looks jealous.

STACEY

Who is this?

ALEX walks over to CASSIE

ALEX

Hi Cassie!

STACEY

Oh! Uh huh, yep.

JOSH

Let me help you with that.

STACEY

How did you get in the house?

CASSIE

Oh, the door was left open.

ALEX

Who left the door open?

TONY

We came in first, don't look at us.

ADAM

Sorry must've been me, darlin'

SARA

And what is all that stuff?

CASSIE

I just put this together in the kitchen, I hope you don't mind.

STACEY looks judgmentally.

SARA

What's in the box?

TONY AND JOSH
(imitating seven)

What's in the box?

STACEY
You two got problems.

ALEX
What is in the box?

ADAM
Probably a dildo, I know my birds.

SARA
What's that supposed to mean?

ADAM
You know what I mean, you made me wear
that cock ring once. Crazy birds and
their toys.

SARA
Too much information, Adam.

CASSIE
Well, it's Alex's present, I don't
wanna spoil it.

ALEX puts the tray on the table.

ALEX
Well, why don't I open it later, here
let me introduce you. This is Stacey,
Sara, Tony, Adam, you know Josh from
work.

HELLO'S all around.

ADAM
I'm gonna get a lemon.

JOSH
Wait up.

INT. KITCHEN

TONY catches up to JOSH and ADAM in the kitchen. ADAM and
JOSH take lines of cocaine as they talk.

TONY

Yo that Cassie is fit, you think I got a chance?

ADAM

Nah mate, she's way out of your league.

JOSH

Yo but Cassie sent me this.

JOSH shows TONY his phone.

TONY

Aw man, you're always getting lucky.

JOSH

Why you sayin' that, you and Alex got something innit?

ADAM

Nah, she's out of your league too.

They laugh.

INT. LIVING ROOM

CASSIE sitting down near the punch. STACEY, SARA and ALEX.

ADAM walks in to put snacks on the table. CASSIE stands up and walks over to ADAM. Everyone else walks in as well.

CASSIE

Sorry, you smell amazing.

SARA watches and looks jealous.

ADAM

Thanks kitten, yeah, got it down Soho, you ever been down soho?

CASSIE

Been there once or twice.

ADAM

My type of girl.

SARA comes and interjects.

SARA

Sorry, can I have one of those drinks?

CASSIE hands her one to SARA.

CASSIE
Why don't you have one too?

CASSIE gives one to ADAM.

ADAM
Cheers love.

SARA walks away.

SARA
(scoffs/under her breath)
Unbelievable.

STACEY
I know right, she is a bit kooky

SARA
Finally we're on the same page for something.

STACEY
Oh that's right, we're supposed to hate each other.

They laugh and hug.

STACEY
It's good to see you, how are things with you and Adam?

SARA
Yeah, it's - we're all good.

STACEY
I'm glad you're alright, you two, you worry me sometimes. You can always talk to me and Alex, you know?

SARA
I know, I'm fine.

ALEX, giddily sits in the middle of floor, excited like a child.

ALEX
Okay guys, I'm opening the box.

STACEY

Oh god, I bet it's a bomb.

TONY

Did someone say bong?

STACEY

Calm down, idiot.

Everyone laughs and they sit down with her. They sit in a circle.

ALEX opens the box.

ALEX

So what is it?

CASSIE

It's just a card game. Do you wanna play?

THE BOYS AND ALEX

Sure. Fine.

SARA and STACEY look at each other reluctantly.

ALEX

Come on girls, it's fine.

CASSIE brings the cards out.

TONY

Oh damn, this is some voodoo ritual shit.

ADAM

Brown trousers again, Tony?

TONY

I'm not scared. I'm turned on.

STACEY

I'm not playing this shit sober, Tony, pass me some tequila.

TONY

(passing the drink)

Got you covered, Sunshine.

STACEY

Love you Tony and don't call me
sunshine.

So is anyone gonna explain the rules
of the game?

CASSIE

You'll see as we go along. How bout
you go first?

ADAM

Nah, I'll go first.

CASSIE

Okay, everyone close your eyes

EVERYONE closes their eyes and CASSIE starts speaking in
latin.

STACEY and SARA both feel something is very wrong, they both
become anxious.

THE LIGHTS GO OUT. A candle appears in the middle. EVERYTHING
BECOMES SLOW MOTION.

SARA has a vision of a little girl holding a candle. THREE
FLASHES of the DEMON'S face. The little girl is pointing at
the camera.

THE CANDLE GOES OUT. THE ROOM THEN lights up RED. We see the
demons shadows crowding the entire room. SARA and STACEY are
horrified.

LIGHTS GO OUT. LIGHTS TURN ON, All the cards lay in front of
CASSIE.

EVERYONE seems sightly tipsy. CASSIE holds all the cards in
her hands.

CASSIE

Adam.

ADAM takes a card.

ADAM

What now?

CASSIE

Which card is it?

ADAM

Uh - says hangman. What'satt mean?

CASSIE

Ooh - hangman - you're tied up at work, you need to relax.

ADAM

Right. I'll take that on board.

STACEY

What is this bullshit? Adam you really believe in this shit?

STACEY looks across at SARA, SARA looks anxious.

CASSIE

Okay, now we go anti-clockwise - Tony?

TONY

Oh shit.

CASSIE

(smirking)

You don't need to be scared, love, Okay.

TONY takes a card.

TONY

Fool card. Well, obviously.

Everyone chuckles except for STACEY and SARA.

CASSIE

Okay, well that means you've got to think more before you act.

TONY

Ah yes - wise words learned lud.

JOSH

Guess I'm next.

JOSH gets the devil card.

EVERYONE

Oooooooh!

TONY

Ooh, Josh you been fucking about?

JOSH

What does it mean, Cassie?

CASSIE

That means you're possessed by your possessions, too materialistic.

JOSH

Alright, damn. Don't think so but.

ALEX

So true though, not gonna lie.

EVERYONE waits for STACEY to pick up the card. She leans over, anxious and takes the card.

STACEY

(monotone)

Moon card.

CASSIE

Ooh. The truth will soon come out.

STACEY

(blushing, looking at josh)

What does that mean?

The vibe in the room gets very suspicious.

JOSH

Oh, okay, yo let's just move on.

SARA

Yeah I think I'll go for a smoke.

EVERYONE

Oh, come on.

SARA

Oh for fuck sake, fine.

SARA takes the hermit card. SHE has the vision again as she touches the card.

SARA

Hermit card, means like - wisdom yeah?

CASSIE
Actually Sara, it means isolation.

ADAM
Oh - yep-

ADAM chokes on his words and looks down. SARA scoffs at him.

TONY
Aight, can we get on with this I'm a
bit bored now.

ALEX
Hey, don't be so rude.

CASSIE
(muttering)
I just had to do this?

ALEX
What do you mean?

STACEY
Yeah what do you mean?

CASSIE
Alex, your card?

ALEX pauses. Then takes her card. TONY and JOSH and
eventually everyone else starts standing up.

ALEX
Death card.

Room gets quiet. Everyone darts their eyes towards Alex, then
look at each other with sarcastically scared expressions.

CASSIE
What? It just means change.

ALEX
Oh, okay.

TONY
Yeah, speaking of which, let's change
the situation innit.

TONY turns the music up.

Everyone gets up and gets excited by the MUSIC, ALEX mouths

"sorry" to CASSIE. CASSIE mouths back "It's okay" with a wide and almost menacing smile.

Everyone is dancing. ALEX notices STACEY alone and pushes her towards JOSH.

STACEY

What, what are you doing?

ALEX

Helping you.

STACEY

For fuck sake.

ALEX

Just talk to him.

STACEY

Alright.

Josh turns around.

JOSH

Yo.

STACEY

Uh - yo.

TONY

Yo. How's it going, you tried this drink yet?

(holding a cup)

STACEY

Why, will it kill me?

TONY

If that's what you want.

STACEY

Speaking of death, is anyone else concerned about that card Alex got? Like Cassie planned that to freak her out or something.

JOSH

I don't know, it seemed like just a bit of fun.

STACEY

Yeah, I hope so, just seems a bit weird.

They look at CASSIE who is dancing closely with ADAM.

TONY

Ooh - look at that.

STACEY

Oh my god, where's Sara.

JOSH

I don't know - and apparently, neither does Adam.

They chuckle.

CASSIE looks at STACEY in the eye. As the music changes to a more tense sounding electronic club song, CASSIE dances closer to JOSH and begins to pull him away from TONY and STACEY, she dances seductively, almost hugging him, and she stares deep in his eyes, he becomes more and more aroused.

POV: JOSH sees a DEVIL in CASSIE'S eyes.

POV: CASSIE looking at JOSH, who is confused.

POV: JOSH looking at CASSIE with the DEMON on her face.

JOSH passes out in her arms. TONY and STACEY and ALEX looking, it looks like he is kissing her neck from their perspective.

STACEY

Oh for fuck sake.

JOSH wakes up.

JOSH

Woah, what, just happened?

CASSIE

Nothing, sweetie.

JOSH

Sweetie?

CASSIE

Oh, you're so beautiful.

JOSH

What?

CASSIE

(closer to his neck)

Beautiful.

JOSH

Um - okay.

JOSH pulls CASSIE off of him.

STACEY

(pissed off)

Why's she all over him? Alex, did you bring her here just to fuck me over?

ALEX

No, no, I swear, just don't look too much into it.

STACEY

Don't look too much into it? Into that shit?

ALEX

Well look, see he's pushing her away.

TONY looks at them, taking another drink, smirking.

INT. HALLWAY

SARA is sitting on the floor in the hallway with a drink, crying. ADAM finds her.

ADAM

Oh, there you are.

(notices her crying)

Can we please talk?

SARA

(shaking her head, exhausted, red faced)

I can't do this, Adam.

ADAM

I swear - Sara - I really didn't mean

to hurt you, I'm sorry.

SARA
(sarcastic)

Well, great - thanks.

ADAM
Please just stand up.

SARA stands up.

SARA
I'm standing, anything else, master?

ADAM
What's going on?

ADAM gets closer to her and she moves near to a coat rack, she has her back against the coat rack and is slightly scared of backing into the spiky hooks.

SARA
Seriously? Just - like -
(getting angrier)
We can't just keep pretending
everything's fine, when clearly -

ADAM
(getting angry)

So what do you wanna do?

ADAM
(angrier)
Listen, I've told you how sorry I am,
Sara, you keep going on about it and I
don't know what to do anymore, I cry
about it too, it's not like I haven't
lost anything either, I have. And I
mean I'm clean now, I'm off the
heroin, the coke - I'm changing,
darling, I'm really trying to fix
everything.

SARA
Well, it's too late for all that,
Adam, the damage has been done, the
baby's dead. And you've been saying
that shit about 'I'm clean I'm clean'
like you're being held at gunpoint, I

know you're talking shit.

ADAM
(confused)

What? Why would I lie?

I don't lie to you.

SARA
(scoffs)

Fuck sake.

ADAM
Seriously, have I ever lied to you?

SARA
Well - yes!

ADAM
When?

Crying. Hesitant.

SARA
(angry)
I can't believe

(quieting her voice)

you would use me when I was so
vulnerable.

ADAM
What are you talking about? Okay, if
you're talking about what I think
you're talking about, you need to
understand, I didn't know what else to
do, you were crying in agony every
single day.

SARA
So hug me! protect me! make me laugh!
make me happy! Don't just say "here
darling, take these pills, they'll
take the pain away"

ADAM
Come on, you knew what they were.

SARA
I was vulnerable, how was I supposed
to think straight?

ADAM has an angry face, crying.

ADAM
Listen.

SARA
(shouting)
No, you fucking listen!

INT. LIVING ROOM

Everyone in the living room can hear them.

DIALOGUE COMING FROM HALLWAY WHILE NEXT SCENE IS HAPPENING

SARA
I don't care how sorry you are-

ADAM
We were fucked up but-

SARA
We?

ADAM
I was fucked up, but I swear I've
evolved.

SARA
Yeah, you've evolved into a fucking
drug lord, you think I want that on my
conscience?

ADAM
It's my problem, not yours.

SARA
I can't even look at you, how can you
say that?

INT. LIVING ROOM

Whilst previous scene is happening.

STACEY
Should we break it up?

JOSH

No, we should just let them figure it out.

ALEX

Seriously? No. I'm going.

STACEY

Be careful.

TONY

This is a very depressing new years.

STACEY

Shut up.

INT. HALLWAY

ALEX walks out. They stop talking and look shocked at ALEX.

ALEX

Everything alright?

SARA

What a stupid question.

ALEX

Sorry.

SARA

I'm going to the bathroom.

ALEX

Adam?

ADAM

It's alright, darling.

INT. BATHROOM

Crying sitting on the toilet, looking at a picture of her ultrasound on her phone.

INT. LIVING ROOM

ALEX is talking to ADAM

ALEX

What's going on with you and Sara?

ADAM

Love, I don't really wanna talk about it.

ALEX

Come on, you can talk to me.

ADAM

Alex, you're too innocent, just stay out it.

ALEX

Alright.

ADAM kisses ALEX's head

ADAM

Josh! Tony! I need to hit another one!

TONY

(reluctant)

Sure man.

JOSH

Yo, it's cool, let's just vibe innit.

PARTYING MONTAGE

They are playing truth or dare. SARA is not in the room.

TONY

Uh! Dare!

JOSH

I dare you to lick the floor.

EVERYONE

Oh god!! Errr! Ewww!

TONY immediately licks the floor.

JOSH

Should've known.

ALEX

Whose next?

CASSIE

You!

ALEX

Really?

CASSIE

If you don't wanna play, don't ask!

Everyone starts looking at CASSIE differently, like she's become a different person.

CASSIE

Truth or dare, love.

ALEX

Truth.

CASSIE

Are you a virgin?

ALEX gets flustered and then begins to chug her drink.
EVERYONE OOHS and AAWS. STACEY gives CASSIE an ANGRY FACE.

CUT TO:

INT. HALLWAY

We see the bathroom, Sara is groaning and moaning.

INT. BATHROOM

Sara is in a bath of blood, panicking. She is holding a baby covered in blood.

SARA

It's gonna be okay, baby, it's gonna
be okay baby, it's gonna be okay,
baby.

She closes her eyes.

SARA

Not real. Not real.

ADAM knocks on the door. SARA is scared. She dunks her head below the blood.

INT. HALLWAY

ADAM outside the bathroom. Knocking.

ADAM

Sara, what's going on in there?

He can't open the door, he tries to breakthrough.

SARA is panicking, looking all around the room. We ZOOM into her anxious face as an unnerving sound gets louder and louder.

ADAM busts into the bathroom, breaking the lock, the bath is now filled with water. There is no baby.

ADAM pulls her out. He is shouting and crying, she is coughing and panicking.

ADAM

You can't do this, Sara! You don't
have kill yourself, for fuck sake!

SARA

You killed our baby!

ADAM

You can't do this!

CUT TO:

SARA and ADAM, SARA has a towel wrapped around her. ADAM is staring into space.

CUT TO:

SLOW MUSIC

Everyone else is chilling, lying on the floor or sitting up, drinking, eating. The MUSIC is too loud to be able to hear anyone speak.

CASSIE is next to ALEX on the floor. ALEX remembers about her bracelet, holding it up.

ALEX

Hey, Cassie, I'm sorry, I can't get
your bracelet off, I've been trying
for days, can you help?

CASSIE

Why do you wanna take it off?

ALEX

Well, because it's kinda hurting my
wrist.

CASSIE
Oh, I'm sorry.

CASSIE scoots over towards TONY. STACEY scoots over towards ALEX.

STACEY
What did she say? Is she gonna take it off?

ALEX
No, she just apologised and fucked off? I'm getting quite scared.

STACEY hugs ALEX

STACEY
Aww - It's gonna be okay. Don't worry.
I'll get her to take it off.

ALEX
Be nice to her.

STACEY
Sure okay.

STACEY scoots over to CASSIE. CASSIE is lying seductively on the floor, caressing TONY's face. JOSH is staring at CASSIE. STACEY is looking around, getting very jealous.

STACEY taps CASSIE on the shoulder.

STACEY
Cassie! Take that bracelet off Alex!

CASSIE turns to STACEY.

CASSIE
It's not supposed to come off.

Getting her lipstick out and applying it slow, looking deep into STACEY's eyes.

STACEY
Why not?

CASSIE
Eternal bond, I gave my love to the purest of souls.

STACEY

You're a scary, delusional bitch and you need to get the fuck out of this house right now.

CASSIE

Josh knows about you. Josh knows how you feel.

STACEY

What are you talking about?

CASSIE gives STACEY an 'it's obvious' face.

STACEY looks scared, she silently retracts back towards ALEX and puts her arm around her.

CASSIE switches from TONY to JOSH. TONY joins STACEY and ALEX.

TONY sees that they are both scared, ALEX is gripping her wrist and fiddling.

TONY

What's wrong you lot? did you drink too much?

STACEY

Go away, Tony.

ALEX

No, don't listen to her.

ALEX hugs TONY.

TONY

You know if you're feeling out of it I can get everyone to leave.

ALEX

That's okay.

TONY

You sure? Just wanna make sure you're okay.

ALEX

Thanks, Tony, you're so sweet.

They look at JOSH and CASSIE who are whispering in each others ears.

As STACEY grows gradually more jealous, JOSH and CASSIE very slowly edge towards a snog. We cut back and forth between STACEY and JOSH and CASSIE.

They are just about kiss. STACEY comes out of nowhere and violently pulls JOSH up onto his feet.

JOSH

Yo, what was that about?

STACEY

I need to talk to you.

JOSH

You're ugly.

STACEY

ADAM looks at the bath.

ADAM

Alright, I don't have time for mucking about.

STACEY

For real, the bath is empty, are you alright?

SARA

(shocked, stuttering)

It's filled with blood. Is the blood not there?

STACEY

GETTING CLOSER and CLOSER to SARA.

SARA
(reciting like a poem, crying, slowly, emotional)

Two hands, two feet, a brain, a heart,
you do seem real, as real as a child
can be, you are my baby, I will never
hurt you, you are my baby, nothing
will ever hurt you, we were lost in
time, and lost in space, but we're
back together now, I missed you, my
baby.

The child OPENS her mouth and a SCARY NOISE comes out. SARA is conversing with the child.

What? - Yes. - Okay. No no no. It's

happening. The vision was real baby,
it was real. She's coming for all of
us. She's coming for our souls.

anxious. STACEY is staring at CASSIE and scanning her.

ALEX

TONY
Don't worry.

ALEX
But it sounds like everyone's in
danger!

TONY puts his arm around ALEX. ALEX fiddles with her bracelet
again.

TONY
It's gonna be okay.

ADAM walks in.

ADAM
Guys, I don't think Sara's feeling too
well so I'm gonna take her home.

ALEX
Oh no! It's okay, she can stay here in
the spare bedroom.

ADAM
Honestly, I think there's something
about this house that's freaking her
out.

ALEX
You may be right about that.

CASSIE
How's everyone doing?

ALEX
Oh, Cassie! Can you help me get this
bracelet off, it's really starting to
itch.

CASSIE
No, Alex.

ALEX
Please.

CASSIE
No. That's not gonna happen.

ALEX
What's going on?

CASSIE
You're mine.

ALEX
What do you mean?

CASSIE
(smiles)

You're my bestie now!

CASSIE kneels down and hugs her.

ALEX
It's not funny anymore, please get
this off of me.

STACEY starts creeping up behind CASSIE. She attempts to STRANGLE CASSIE. ALEX gets very scared and panicked, TONY is smiling.

CASSIE
(turns around)

That's not very wise.

STACEY
Take the fucking bracelet off of my
friend!

STACEY tries to FIGHT CASSIE, CASSIE starts laughing hysterically.

JOSH comes in, dazed and confused, he regains normality and begins to BREAK up the fight.

JOSH
Alright everyone calm the fuck down!

STACEY

What you doin' coming in my space and
how dare you call me ugly!

JOSH

What? Ugly?

STACEY

Just go and fuck Cassie if you're so

What? I didn't say anythi-

JOSH

Do you have like me?

CASSIE raises her eyebrow.

STACEY

No! What's the matter with you? And
all of you?

JOSH

Stacey, I'm sorry, I see you as more
of a friend.

STACEY becomes embarrassed.

CASSIE

Stacey, I think maybe you should go
home.

STACEY

I think maybe YOU should go home, this
ain't your house, this is Alex's
house, she's my friend, I'm fucking
staying so she doesn't get hurt.

ALEX

STOP! Okay, both of you need to calm
down!

CASSIE and STACEY decide to walk away from each other, pissed
off.

STACEY

You know what? Crazy shit's been

happening to all of us since we drank
Cassie's shitty punch.

TONY looks ashamed. He is by the punch bowl, he sees organs
and crazy items in the bowl. We hear CHANTING "guilty guilty"
TONY becomes dizzy and hobbles backwards. "fool

CASSIE
No no no, do not point fingers.

TONY
Uh - guys! I think I can explain.

ALEX
Tony! What did you put in the drink?

TONY decides to console her, she retracts.

ALEX
No Tony, get off!

She looks again at her bracelet which is now appearing to
sizzle and burn.

JOSH
Cassie, why is her bracelet burning?

CASSIE
It's supposed to burn.

Everyone looks at Cassie with scared, angry and surprised
faces.

ADAM hears a child's voice making an EERIE noise. He phases
out of the situation in the living room and decides to follow
the noise, he walks around and finally finds a closet.
Suddenly no one is in the room and it is LIT UP RED.

MUSIC becomes UNNERVING

ADAM slowly opens the closet, inside it is SARA, stripped to
her underwear, covered in blood, red eyes, hair drooping
downward.

The child is behind ADAM and pushes ADAM into the closet with

Everyone is crowded around ALEX concerned about her wrist.
It's burning.

JOSH and STACEY have decided to hold CASSIE back as TONY
fights hard to get the bracelet off.

ALEX
(shouting, in pain)

Tony, what's going on? did you spike
the drink?

TONY
That should not be our main concern.

ALEX
(in pain)

But it's all imaginary, right, this is
just because of whatever you put in
that drink?

TONY
I really don't know, Alex, but I'm
sorry.

CASSIE
(laughing)

You guys are so funny, we should hang
out more often!

STACEY
(covering her mouth)

Shut the fuck up, Cassie!

JOSH
Tell us what the fuck you're doing!

ALEX SCREAMS.

JOSH
(taking stacey's hand off her mouth)

How do we get it off her?

CASSIE

ALEX

ALL THE LIGHTS IN THE HOUSE TURN OFF, EVERYONE SCREAMS

JOSH

We see another vision of demons, organs, SCARY MUSIC and
confusion.

CASSIE
Sara holds enough power to destroy
this ritual! We must restrain her!

We see SARA's lips sewn together and hands tied behind back.
Everyone fainting.
