

EXTERIOR- OUTSIDE HOUSE, EVENING

A tall man, 6ft, dressed all in black is running out of a house and into a car which is parked on the side of the road.

INTERIOR- DELL'S HOUSE, EVENING

The morning after the incident two policemen are standing at the door of Dell's house. Dell, 46, a tall rough-looking bloke. Lewis aged 20, good-looking with brown and hair brown eyes is sitting at the breakfast table waiting to hear the update on his grandfather.

POLICE OFFICER 2 (VO)

We've got the whole team working on this and are trying to get to the bottom of who it was?

POLICE OFFICER 1 (VO)

Do you know anyone who was aware Mr. Smith had this watch in his possession?

DELL

Not that I know of he was a very secretive man with not many friends.

POLICE OFFICER 2 (VO)

Okay, we will continue with our search teams and update you if we have any news.

DELL

Great, thank you so much.

Dell comes walking over to the breakfast table.

LEWIS

Dad, why would someone steal grandpas watch?

DELL

Because his watch is worth a lot of money son, it was an original from Switzerland there were only five made in the world, and your Grandad had one of them.

LEWIS

Wow, that's crazy. I can't believe someones stole it...

DELL
(long pause)

Me neither. We should probably get going, I'll take you back to your mum's.

Dell pulls out a pouch of tobacco alongside green rizler papers and rolls a cigarette.

DELL
I'll wait outside.

INTERIOR- LEWIS'S BEDROOM, EVENING

lewis is sitting on the edge of his bed, and then his mother knocks on the door and walks in.

MUM
Hi darling how are you feeling

LEWIS
I've been better

Lewis's mum sits on next to him

MUM
well, you know Grandads special watch?

LEWIS
yes the one that got stolen

MUM
your grandad wrote in his will that it was yours. He loved you so so much.

LEWIS
really

MUM

(smiles)

yeah, you were always his favorite,
ill be downstairs if you need me.

Lewis quickly hops onto his computer and searches the brand and make of his grandfather's watch. He browses the internet for a while.

He comes across the same make and brand of his grandfather's watch on this website called sell for cash priced at £500,000.00. The seller says he's based in Winchester. He clicks on it and starts a conversation with the seller.

LEWIS (ONLINE)

Hi, is this watch the real deal?

SELLER (ONLINE)

Hi there, it certainly is. Made in Switzerland one of 5 ever made.

LEWIS (ONLINE)

That's incredible! I've been trying to get my hands on one of these?

SELLER (ONLINE)

Are you interested in buying this one?

LEWIS (ONLINE)

I am indeed, however, would it be okay if I saw it in person first?

SELLER (ONLINE)

Yes, that's fine. I'm just checking you have all the finances set up.

lewis looks worried and concerned as he replies

LEWIS (ONLINE)

Yep, I do I would just like to see it in person before negotiating anything further.

SELLER (ONLINE)

okay, are you free tomorrow midday?

LEWIS (ONLINE)

yes.

SELLER (ONLINE)

Do you know where Southampton docks are?

LEWIS (ONLINE)

Yes, shall I meet you there?

SELLER (ONLINE)

Yes tomorrow at 12:30PM, Southampton docks.

Lewis shuts his laptop and the screen fades to black.

EXTERIOR- THE DOCKS, MIDDAY

Voice over of seagulls and dock ambiance.

It's a bright sunny day Lewis is standing looking around with his phone in his hand at Southampton docks. He takes a seat on a bench nearby.

LEWIS (ONLINE)

Hiya, I'm by the docks are you almost here.

The seller takes a while to reply until finally, he does.

SELLER (ONLINE)

Hi, yes. If you come to the ice cream shop called 'jollys' I'm standing here in a navy suit.

Lewis notices the back of the ice cream shop and makes his way over. The seller in a navy suit holding a box is stood with his back turned. Lewis approaches him and taps him on the shoulder. The seller turns around.

LEWIS

Dad?...
