

CONGRESSMAN MERCER

Late sixties or early seventies. Caucasian. Wisconsin Congressman. He's charismatic and experienced but past his prime. His age has led to more abrasive characteristics bubbling to the surface.

ROSIE

Mid 20s. Open ethnicity. The congressman's speechwriter. She's dry and unmotivated, always injecting her remarks with an undertone of sarcasm. She wishes she was writing something more creatively fulfilling but can't ignore the pay cheque.

LONNIE

Early 20s. Caucasian. The congressman's nephew and campaign media intern. Sprightly, and candid, he could get a meeting in any room but wouldn't know what to say when he got in there.

BEVERLY

Fifties. Caucasian. Wealthy donor at the fundraiser. Enjoys her wine a little too much.
