Description:

We are looking for an experienced and creative Video Editor & Motion Artist to join our team in Tampa, FL! As a Video Editor at Diamond View, you will be responsible for assembling footage into a finished project that adheres to Diamond View's brand guidelines, matches the director's vision and achieves the client's goals. Ultimately, you will bring sight and sound together to tell a cohesive and compelling story. The responsibilities of the Video Editor include reviewing raw footage, determining scenes' value and contribution to continuity to determine proper sequence of the commercial; inputting music, effects, dialogue and graphics when appropriate. The Video Editor will be responsible for discovering and implementing new editing technologies/techniques based on industry best practices. This position will work closely with the Post Production Supervisor at Diamond View and report to Diamond View's President.
