THE GROUND FLOOR BAR

A stunning informal space, ideal for bigger standing receptions. We recommend using the bar and our quaint outdoor terrace to enjoy champagne and canapés before moving upstairs to the dining rooms for a grand feasting menu.

No matter where in the pub you choose to host your event, our friendly, welcoming and knowledgeable staff will be on hand to assist and serve you throughout, and answer any questions you may have in the lead up to and during your event.

FOOD

Serving home-comfort, traditional dishes with a cheeky twist, head chef Tom Haste focuses on using the very best seasonal produce available.

Menus can receive daily tweaks and updates depending on what our suppliers may have caught the day before, and what might have inspired the team overnight.

We offer a generous range of different dishes and serving styles to cater to a number of different events, from romantic dinners for two in The Morrell Room to wedding lunches in The Dining Room, standing canapé receptions in the ground floor bar and quick-service business meetings. We are also able to provide a bespoke menu suited to your personal preferences should you desire.
