— DISCOVER OUR WATERSIDE VENUE —

Rotunda Bar and Restaurant ticks all the boxes when it comes to dining and events. Our location provides an exclusive environment, whatever the occasion or time of year.

Having undergone an extensive refurbishment in August 2018, Rotunda offers the perfect venue for meetings, dining and entertaining. We are a contemporary designed restaurant and bar with a private dining room, offering dining with a modern British style menu.

Rotunda is surrounded by floor to ceiling windows overlooking Regent's Canal. We have an open view kitchen with a chef's counter and a feature meat ageing cabinet, showcasing lamb and beef from our farm. Our semi-enclosed terrace with outdoor heaters offers a picturesque location to suit any season.

Located only a short distance from King's Cross station, Rotunda is a hidden gem in central London.

— ON THE PLATE —

Our menus showcase modern British dining at its best. From canapés to plated menus, our team of chefs deliver the same attention to detail across every dish. Menus are grown on global food trends and embody our 'gate to plate' ethos, ensuring food is a highlight of your event.

We source all lamb and beef from our own Corneyside Farm in Northumberland. The animals are fed on fertilised grassland and are hand reared by our farmer. You'll see this dedication to quality ingredients showcased throughout our menus with many lamb and beef main courses.

Where possible, our ingredients are sourced from independent suppliers. We make sure to do as much as we can in house. From cakes made on a daily basis by our baker, to our butcher who prepares and dry ages our beef and lamb on-site.

— IN THE GLASS —

We offer a mix of beverages to accommodate the tastes of each guest. The wine list is hand selected by our dedicated drinks team to complement the menus. Cocktails are designed to feature seasonal flavours that suit any occasion as an arrival drink.

Ask to see our full menu and wine list.

— A VENUE FOR EVERY SEASON —

We embrace the seasons at Rotunda, offering the perfect venue for both summer and winter. Whether it's a BBQ on our canalside terrace or drinks at our bar, we can host your event.

WINTER

Rotunda's private dining room is the ideal setting for a Christmas celebration. Feel festive with a choice of dishes from sharing style to more formal plated menus, celebrating the season in style. Our annual themes will put you in the festive spirit, creating an impressive experience from arrival.

Expand the party onto the terrace and keep the cold at bay with heaters, blankets and a glass of mulled wine.

SUMMER

During the summer months, Rotunda transforms into the ultimate summer party venue. Whether it's a small or large event, the canalside terrace is ideal for BBQ's and drinks receptions.

Why not push the boat out and look at hiring the terrace as part of a full venue hire for up to 250 guests.
