

Where the river runs wild

SECRET RIVER GARDEN

EXCLUSIVE SUMMER EVENT HIDEAWAY

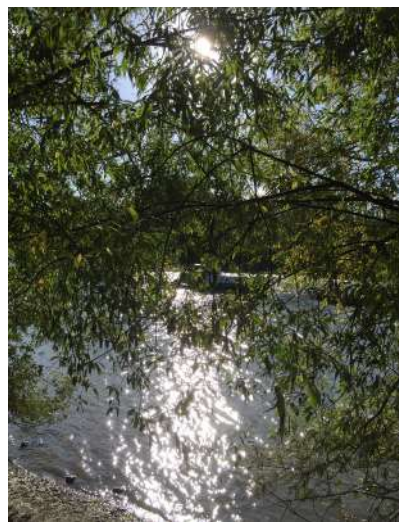

This summer drift downstream

Nestled among the wild garden and woodland, two elegant marquees will be installed for selected dates for summer escapes. This is a secret river garden hideaway you won't have heard of as it's only available for a few dates each year, making it truly exclusive – so you'll need to book ahead if you want to secure this romantic outdoor location.

Perfect for up to 120 people, guests can enjoy welcome drinks on the main lawn over-looking the Thames before following a winding path through the woodland as the stunning main marquee is revealed and a late lunch enjoyed, with views of the river through the dappled light of the weeping willow and, as the day drifts into evening, an open bonfire can be lit for guests to gather round whilst sipping drinks from a pop-up gin or whisky bar hidden in the woods.

The Secret River Garden is the most exquisite, private summer venue. From corporate picnics to stylish soirees, nothing says summer like a gorgeous garden party. Our lush lawn is perfect for a game of croquet or funfair stalls, whilst wandering musicians will create a relaxed vibe as guests enjoying canapes and a glass of sparkling wine in the most perfect riverside location.
