## BOARD MEETINGS TO GRAND RECEPTIONS

All our conference and banqueting facilities are discreetly, yet superbly, organised so as to blend in with the smooth running of the hotel. Importance is placed on meeting the flexibility, comfort and support required for every guest whether it's for a private board meeting, a major product launch or a memorable civil ceremony and reception. Undeniably one of the most prestigious, self-contained, conference venues in the South of England is our Devonshire Suite, which provides a unique aggregate of resource. Over three floors, the Suite comprises the Compton Room for conferences of up to 300 delegates, the Jevington Lounge with bar, reception area and four syndicate rooms, and the Silverdale Room with a banqueting capacity for up to 200. A further eleven very individual suites, rooms and galleries are available for various sized functions – a board meeting for 10, a theatre style presentation for 80 delegates to a cocktail reception for 180.
