

WELCOME TO 37 DAWSON STREET

Our enchanting food and drink emporium resides in the heart of Dawson Street, one of Dublin's busiest nightlife neighbourhoods.

Stepping inside is always an adventure. Our walls are lined with a delightful assembly of the wonderfully weird, from vintage paintings and posters to giant gargoyles and moose busts. This visual feast continues throughout the entire venue, with each corner revealing something new.

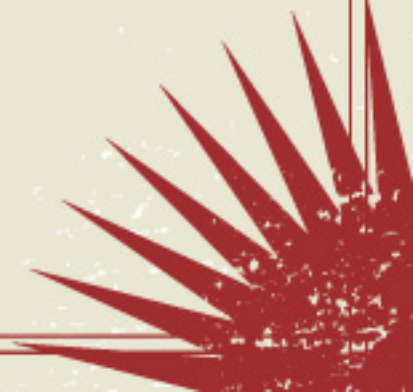

Once seated, our expert staff will assist you in selecting the ideal food and drink for your tastes. As for a cocktail menu? We don't have one! Request your preferred drink from the bar, or let our award-winning mixologists create a bespoke cocktail from your favourite tasting notes.

* 37 Dawson Street is an ideal venue for corporate and social gatherings. With four different bar options, the space can become as intimate or grandiose as you'd like, catering for capacities of 5 to 500. Our dedicated events team are on hand to help you create the perfect occasion. Let us assist you with menu design, tailored drink options, entertainment, audio-visual requirements, interactive activities and more.

We hope very much that you can join us at 37 Dawson Street, where *all is not what it seems*.

Kind regards,
37 Dawson Street Events Team
