OUR STORY SO FAR

Let's take you back to 2008, when JJ Goodman turned to his BFF James 'Hoppy' Hopkins one night & agreed it was time to open an "Unashamedly Awesome" bar in the heart of London. A party heaven that had it all... Bangin' tunes, top-notch cocktails, with off the scale banter all under one roof!

It took some serious hard work & dedication but by NYE 2008, they rolled out the red carpet outside Covent Garden Cocktail Club & the boys were set. They used jam jars for vessels & biscuits for garnishes to squeeze every penny in the pound as a necessity to survive... Fast forward 9 years & 10 bars later, the boys have become global trendsetters with their savvy methods being replicated all over the world.

So; kick back with the tunes & throw your hands in the air as this'll be a night you never want to forget!
