

*Dundas Castle*

Welcome to

*Dundas  
Castle*

“I am delighted to be able to open the doors of Dundas Castle and offer you the warmest of welcomes to my family home. The Castle is for you and yours to make your very own to enjoy for the duration of your visit and leave having achieved your objectives.

Whether you choose to come to Dundas for a special event, business meeting or team building within the estate, you will be coming to one of Scotland’s most historic buildings. Our ‘Auld Keep’ is over six hundred years old. The modern Castle was built just two hundred years ago! My wife has carefully decorated every room with taste and colour. Each room has central heating and every bathroom has piping hot water. This definitely makes us the cosiest Castle in Scotland.

The grounds are renowned for their beauty and include a loch, which has all kinds of wildlife upon it including swans, ducks, coots and herons. The estate, cared for with pride by our groundsmen, has lush green lawns, majestic trees and resident llamas. Sporting facilities include a squash court, tennis court, off road driving course and a nine-hole golf course.

We are only twenty minutes’ drive from the centre of Edinburgh and fifteen minutes from the airport. You can venture north to the Highlands or play golf on any of the twenty or so famous courses within an hour’s drive of the Castle.

My wonderful staff will look after you hand and foot. We all hope to be able to welcome you very soon and to give you one of the best experiences of your lives”.

Sir Jack Stewart-Clark

“ We held an awards event for 80 people at Dundas Castle... this involved Highland Games in the grounds followed by the awards ceremony in the evening. The organisation by the staff at Dundas was exemplary and our attendees thoroughly enjoyed themselves with many saying it was the best event we had ever held. The Castle and grounds are absolutely beautiful. I was one of the people fortunate to stay overnight in the Castle and my room was incredible! I can't recommend Dundas highly enough – nothing was too much trouble for the staff and they went out of their way to make our event run as smoothly as possible. ”
