WRINGER + MANGLE

.....

LONDON FIELDS

Less than a two minutes walk from London Fields Overground station, two stops from Liverpool Street, Wringer + Mangle London Fields is located in what is now the heart of one of East London's most vibrant and stylish areas, synonymous with the creative and start up communities.

Housed in a former industrial laundry, from which comes the venue name, the space features our signature eclectic style with polished concrete floors and an all weather heated, covered terrace that enables guests to enjoy the great outdoors (almost!) all year round.

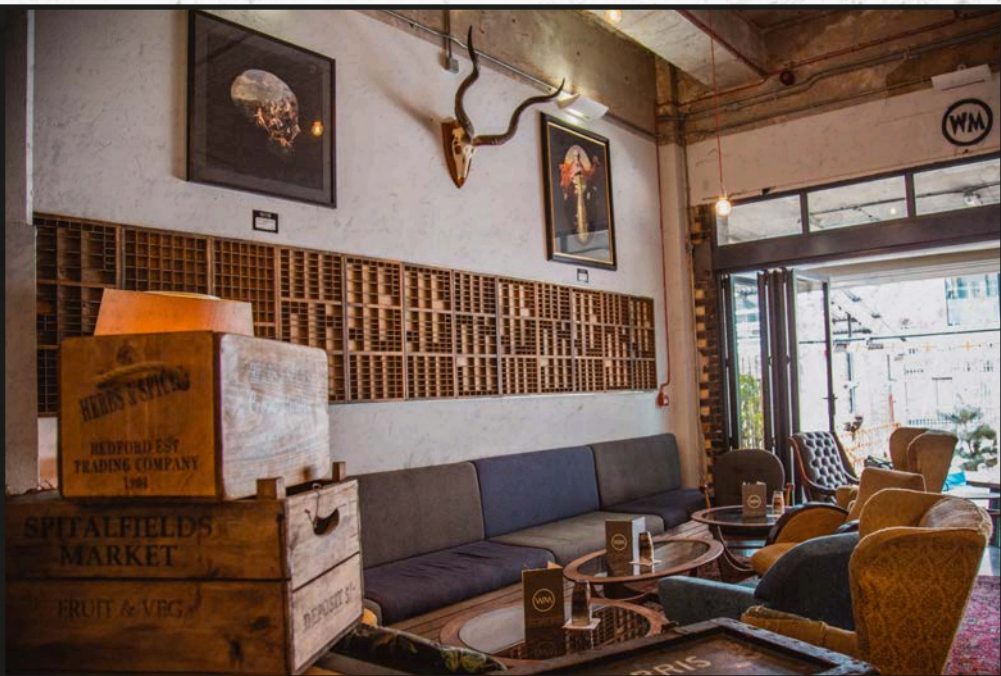

WRINGER + MANGLE

At our London Fields site, Wringer + Mangle serves as the perfect backdrop for your private hire needs. We provide modular, flexible space able to host a wide variety of event solutions, including private dining, banqueting, meetings and conferencing as well product launches, drinks parties and weddings.

Our food centres around delicious quality produce within a well-balanced menu, with the emphasis on healthy and hearty plates. Apart from our extensive menu offerings our team are always keen to provide creative and inspiring bespoke food and drink options to make your event personal, special and above all, memorable.

THE RESTAURANT

Ceiling height windows flood the restaurant area with natural light, with the bright and airy feel being further enhanced by its high ceilings and the rooms focal point, our very own mini arboretum.

With seating for up to seventy that can be set up in a number of different formats for dining, the space is also perfect for live performance and music by use of the stage area.

CAPACITY OF UP TO 70 PEOPLE

The long bar provides a stylish focal point to the room, with folding doors that open directly onto the terrace area bringing the outside in.

We can accommodate up to one hundred and twenty people standing for drinks and canapés or bowl food, or smaller groups for semi private drinks across three distinct areas.
