EVENT LOCATION AT THE IJ RIVER

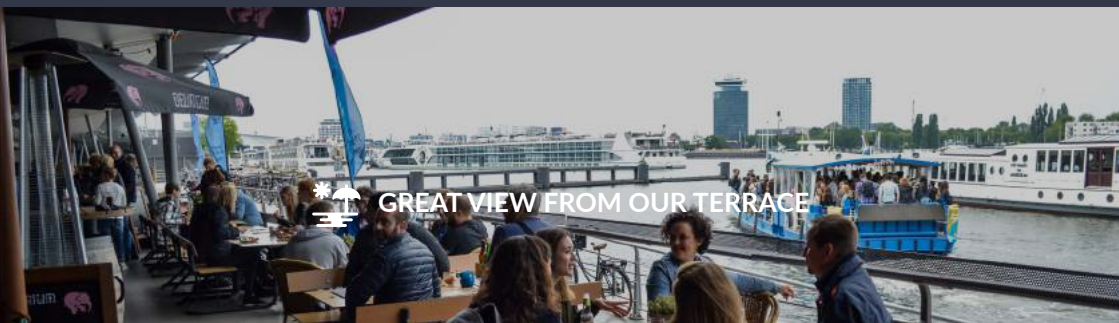

Delirium Café Amsterdam

A craft beer bar in Amsterdam with passion for beers and passion to create the perfect experience for our guests and groups. There is a regular bar with over 500+ beers and besides our beer bar concept we specialize in welcoming groups in our restaurant & bars.

Next to our regular bar, we also have two atmospheric private bars, with their own terrace: Kootje & Loesje. With the spacious bar area, we can arrange events to accommodate up to 200 people. It is also possible to rent our regular bar. This enables us to organize company events, barbecues, theme parties, drinks and buffets up to 500 persons. One of our biggest assets is our roofed terrace where 200 guests can sit down and enjoy a panoramic view over the IJ and Amsterdam.

We offer different packages for groups that can be altered upon your wishes. We host groups for drinks, dinner games, birthday parties, network events, theme parties and private (company) events. During the day we also can provide meeting facilities. Our concept holds a diversity of catering package like sandwich lunches, several bites & drink packages, barbecues, walking dinners, buffets and sit-down dinners.

We would like to hear all of your wishes and ideas. We have a professional and enthusiastic team at the bar and at our office that loves entertaining our guests.

RENT YOUR OWN BAR

We are equipped with two private rooms, each with their own ambiance and character. The rooms Kootje and Loesje can be hired separately or together as one spacious room.

Kootje is Delirium's smaller brother and has eleven typical Dutch beers as wished on tap. The design of this Amsterdam café is atmospheric and intimate, which makes lots of groups feel at home here. Café Kootje is suitable for groups up to 50 people and has a private terrace with a view over the IJ. It is also possible to moor your boat to this terrace! During the summer we organize a lot of barbecues on our beautiful terrace.

In addition, the room Café Loesje was opened in August 2015, enabling a total of 150+ guests to be received. This space has its own bar with an Amsterdam-like and informal character, which lends itself perfectly for receptions, dinners and birthday parties.
