

SALONBOOT NAJADE

Classic canal boat Najade is a beautiful salon boat, or gentleman's launch, that has preserved many of her distinctive authentic features. With her elegant shape she cruises gracefully through the Amsterdam canals. With a maximum capacity of 20 persons (dinner seating for 12), the Najade is one of our smaller classic canal boats, capable of cruising through the historic city centre. Boarding place is the Hilton Hotel

The sleek salon boat Najade combines the charm of classic interior with modern comfort. The interior exudes classic luxury: sofas upholstered in royal blue velvet and warm teak paneling. Onboard you will find a well-stocked bar. A music system with ability to connect your iPod or iPhone is present. Obviously a toilet is not lacking. A traditional smoking area can be found at the rear, the so-called Cigar room.
