

# Why choose wallacespace?

Don't just take our word for it, here's what our clients have to say about us.

Why wallacespace and not our office?

Our environments are carefully designed to influence innovation and creative thinking. To enable collaboration, we have free breakout spaces and areas that allow for those 'water cooler moments'. Every detail from our chef prepared lunches to our 'help yourself' refreshments are curated to maximise meeting potential.

*The on-demand nature of the facilities and delicious food made it a great space to want to spend more time in. It's so un-office like. The team were excellent in terms of their availability and willingness to address even the smallest requests.* [Cyrus Johnston - Founder, Hands On Brands Limited](#)

*For many years I've trained large and small groups. WallaceSpace is my favourite venue because it's extra-ordinary. It's more than a venue, it's an amazing space in which to deliver training.* [Economie](#)
