

## brighter thinking @ wallacespace

Wallacespaces in **Covent Garden**, **St Pancras**, **Clerkenwell Green** and **Spitalfields** are spaces for meetings, training, research, events, conferences, celebrations, workshops... spaces to use as creatively as you like.

We know that our environments affect our thinking and we have light, bright, airy spaces for you to re-connect, re-collaborate and think clearly without distractions. Our meeting space experts will work with you to ensure your day runs like clockwork so you can concentrate on the job in hand.

We have the most flexible cancellation terms in the business, adaptable spaces that can be customised to suit your needs and friendly teams who will bend over backwards to ensure that your day is a success. Add to this our famously tasty, healthy, energising food and you have all the ingredients for successful collaboration + an exchange of ideas to help you achieve more.

We'd be delighted to discuss how we can best we can support your event.  
Give us a call on **020 7395 1265** or email us at [ask@wallacespace.com](mailto:ask@wallacespace.com).
