

THE VIEW BAR & RESTAURANT

FOOD & DRINKS MENU

Throughout Graystone we have a focus on progression; our food menu has also been thoughtfully crafted to fit this theme. All of the food we serve is made & cooked fresh in our kitchen, using ingredients sourced in the most sustainable, responsible and ethical way we can.

Inspiration has been drawn from various cuisines, to invent creative dishes among classics. We are mindful about the environment and avoid any plastic products in our bar, with a strong focus on recycling and reducing wastage.
