AMSTERDAM

WHERE PEOPLE BECOME CHAMPIONS

We create space to grow.

Nothing grows in the dark. Everything on this planet needs 3 fundamentals to grow: oxygen, light and space. All that is kept small remains small.

That's why we choose light over darkness. Space over narrowness. Windows over walls. These are the basic ingredients to grow. But growing is only the first step. In the right conditions, growth is what makes us flourish. To truly grow and flourish, we need attention.

That's why our offices are meticulously well designed. With incredible furniture crafted by top class designers.

Sunlit meeting rooms and workspaces. High class services. This eye for detail will make people and companies grow and flourish.

And last but not least: first impressions count. Nothing will make a day better but a smile when you walk in. It will light up your day. That's how we start growth.

We create space for you to grow. Not only by the size of your office, but also in efficiency, in time, knowledge, perseverance and of course revenue. And we're growing with you: we have 5 locations and over 10.000m² of work and meeting solutions.

Sydney '2000'

The Sydney '2000', which is known as the 'Champions Room', is a room for real winners. With its chandelier and four golden chairs, each guest enthroned themselves a champion. Not strange at all that TeamNL dragged in the most Gold medals at the Sydney Olympics.

- ✓ coffee in the room

Tokyo '2020'

To succeed on the next big Olympics, it is important to take a moment and reflect on your growth and development. That is exactly what this room does. With 11 mirrors, beautiful Eames Chairs and two chandeliers, this room is perfect for personal development-, job interviews or just your usual meetings. Or perhaps for an athlete who wants to be the next champion!

Beijing '2008'

This room oozes speed. With its Dutch design lightweight carbon fiber chairs and zigzag floor, it is no stretch at all to long back to the Beijing 2008 football fi- nale where dribbling king Lionel Messi cut through the Nigerian defence like it was butter. Besides daydreaming, it also is a perfect room for a small, productive meet- ing.

- ✓ coffee in the room

Paris '1900'

Equality took a huge win when women were allowed to compete at the Olympics of Paris 1900. We tried to accomplish the same by adding only one element of superiority, a huge lamp that rises above everyone. Anything else is equal like a fairly large solid square-ish table and a perfectly lined-out tv. Balance is everything.

specification

- ✓ up to 10 people
- ✓ fixed setup
- ✓ with LED TV
- ✓ coffee in the room
- ✓ fresh drinks in the fridge

Amsterdam '1928'

Long after its initial purpose of the Olympics in 1928, the stadium became the center of the universe yet again in the late Sixties. That period the big Ajax played their matches over here. This room served as their boardroom for a few years. Can you imagine Cruyff, Krol, Swart and Keizer signing their contracts over here? So good luck on your meeting on closing the deal. Just like Rinus Michels did.

specification

- ✓ up to 20 people
- ✓ fixed setup
- ✓ with LED TV
- ✓ break area with couch
- ✓ coffee in the room
- ✓ fresh drinks in the fridge

London '2012'

The London '2012' is, like Usain Bolt, a boardroom not to be reckoned with! With a massive solid table constructed out of one piece, of over 8 meters(!) long. The same distance Bolt runs in just under 0.8 seconds. Generally, meetings take a little while longer in this spacious boardroom. The London '12 is the absolute winner when it comes to giving presentations.

specification

- ✓ up to 24 people
- ✓ fixed setup
- ✓ professional beamer & sound
- ✓ with white board
- ✓ coffee in the room
- ✓ fresh drinks in the fridge
