## Land

Situated in 130 acres of immaculately maintained woodland and parkland Chewton Glen is ideally placed on the edge of the New Forest, just minutes from the sea. There is ample space for a variety of team-building activities on the hotel's sweeping grounds, and guests can also enjoy a wide range of unique land-based activities in the beautiful local environs.

# The Sporting Life

Set in Chewton Glen's attractive grounds a myriad of sporting pursuits can be tailored to suit your time and budget; any one of them will make an entertaining stand-alone activity or can be combined with others for an exciting multi-activity event. Perfect for client entertainment or simply spending time with colleagues, the activities can be offered in a half-day format or for just an hour to enhance your programme.

- Archery
- Apache Racing Buggies
- Axe Throwing
- Black Powder Shooting
- Crossbow
- Clay Pigeon Shooting
- Falconry
- Ferret Racing
- Gun Dog Handling
- Mobile High Ropes

## Up your game

A beautifully maintained executive golf course, tennis courts, and one of the best croquet lawns of any hotel in the country offer superb opportunities for group tuition and competitive events that are entertaining and exceptionally good value.

### TENNIS

Chewton Glen's Tennis Centre features two indoor and two outdoor all-weather courts. Group clinics can be arranged with the hotel's resident pro and former county champion Matthew Salisbury and can be tailored to any level of experience and skill.

### GOLF

Innovative golf programmes at Chewton Glen are suited to any level of player and will cater for each individual's needs. Enjoy dedicated instruction and group coaching in all areas of the short game by experienced pros on the hotel's attractive 9-hole, par 3 course. Full video and Trackman swing analysis are also available.

### CROQUET

Quintessentially English and seemingly genteel, croquet is in fact extremely competitive and great fun. With expert tuition on Chewton's full-size lawn, a croquet masterclass or tournament is an ideal addition to any event, either for team-building or as an ice-breaker with drinks before dinner. Men and women compete on level terms and physical prowess is not required so everyone can join in.

**POWER WALK TO THE SEA**

A bunny is a local name of unknown origin for a valley, equivalent to a chine in Dorset or glen in Scotland. An escorted ‘power walk’ from the hotel down Chewton bunny to the sea will give guests the chance to enjoy the spectacular views across the Solent to the nearby Isle of Wight. This is an ideal way to clear the cobwebs before a morning meeting, or as a quick refresher after lunch.

**GARDEN TOUR**

Enjoy an insider’s look into the on-going development of the hotel’s extensive eco-friendly estate. Chewton Glen’s crack team of gardeners work year-round sowing seeds and potting up, and a fabulous array of vegetables, fruits, herbs and edible flowers is harvested from the walled kitchen garden and nursery. The hotel also has more than 50 working hives of very well-behaved bees, cared for by Bee Keeper Rob Oliver and Estate Manager Darren Venables.

**TABLET TREASURE HUNT**

Tablet Treasure Hunts at Chewton Glen are engaging, fun and competitive. Making the most of the hotel’s extensive grounds and gardens, you will be sent on a mission to complete as many challenging questions and tasks as you can. Along the way you may bump in to some significant figures from the hotel’s colourful past, so it’s important to keep your eyes peeled!

Each team will be issued with a Nexus 7 Tablet pre-loaded with an interactive map, along with customised questions and challenges. Track the location of the other teams in order to stay ahead of the game and score points for correct answers – but be careful as you will lose points if your answers are wrong. Team scores will be displayed on a live leader board with the winner announced at the end of the allotted time.

# Motorised Mayhem

Motorised events at Chewton Glen are suitable for all fitness levels and are guaranteed to get everyone's adrenaline pumping with Apache Racing Buggies, Quad Bikes, 4x4s, Argo Cats, Segways, Blindfold and Reverse Steer Driving to choose from:

With 0-60mph acceleration in under 4 seconds and 750ccs of unrestricted power, guests will be thrilled by the performance of the Apache Racing Buggies on the hotel's grounds.

Ever fancied mastering your driving technique with no steering wheel? Argo Cats are 6-wheel all-terrain vehicles controlled with two levers – one for each side – making them the most unusual driving experience you are ever likely to have.

Segways are easy to ride but much harder to master; an ingenious course will test your precision driving skills once you have learnt the basics.

Blindfold Driving and Reverse Steer are baffling challenges you will find harder to master than you think. The sensory deprivation when blindfolded requires you to trust your team. Reverse Steer will literally turn your mind inside out.

## THE ITALIAN JOB

In this fast-paced treasure hunt on wheels the group will be briefed on the challenge ahead and then split into teams of four. Provided with the keys to their own Mini Cooper, and a briefcase containing a Nexus 7 tablet with built-in GPS and a cache of cryptic clues, each team will set off on a mission of daring and intrigue, encountering some 'dangerous' characters along the way. Intelligence, creativity and teamwork are required in order to complete as many challenges as possible and pull off the ultimate 'job!' Teams will literally 'blow the bloody doors off' to get to the gold at the conclusion of this high-energy, laugh-out-loud event.

## SEGWAY ADVENTURE

A Segway personal transporter is a clever self-balancing machine controlled by a rider's movements making it easy to operate and master. A Segway experience is unique and thrilling, and the machine's ability to turn on a sixpence guarantees an exciting ride.

After a quick briefing you will be equipped with essential safety gear for your Segway experience. Once you have completed a few short games to build up your confidence, you will be unleashed to practice your new-found skills and speed through a variety of obstacles set out on the hotel's grounds. Segways make for an excellent stand-alone activity and are also perfect to go alongside a range of country sports.

## SUPERCARS

Chewton Glen can offer you the luxury and status of a range of the world's top supercars including the Lamborghini Huracan Spyder, Ferrari 458 Spider, Aston Martin V12 Vantage, Lamborghini LP570 Performante, Ferrari California, Bentley GTC V8, Mercedes GT AMG, Maserati GranCabrio Sport and Range Rover Vogue Autobiography, to name but a few! Enjoy the thrill of driving your chosen supercar, either on a pre-selected route or to a destination of your choice. Packages range from short driving experiences to full day excursions tailored to your preferences.

# The New Forest

Wild ponies won't be able to drag you away from the New Forest once you've experienced the beauty and peace of its idyllic glades, ancient woodland, open moors and heathland. Once a royal hunting ground for King William I and his noblemen in 12th century AD, this 150 square mile area of historic countryside is now one of the UK's best-loved National Parks.

## RAMBLE IN THE FOREST

A guided walk is one of the most pleasurable ways to explore the Forest's best-kept secrets and to enjoy the scenery, atmosphere and wildlife. You will get up close and personal with the many animals in the Forest and will experience the splendour of the heathland and moorland mix. Your expert guide will introduce you to the woodland fauna and flora, and you will learn about the history and ancient ways of the Forest, along with the modern requirements to sustain its heritage for many years to come.

## BICYCLE SAFARI

With its quiet country lanes, dedicated cycle tracks, woodland trails and picture-postcard villages, the New Forest is an ideal location for a cycle safari adventure. Teams will be provided with Nexus 7 tablets containing cryptic clues and challenges which can be tailored around your company or objectives. Clues must be pieced together to solve the final puzzle, and a 'real time' map showing the other teams' locations and a live scoreboard will keep the competition keen. To add to the fun for this team-building event tandem bikes are also available.

## 4x4 SAFARI

Prepare to get muddy while learning to master drops and winding trails on 4-wheel drive all-terrain Yamaha quad bikes. On this exciting 4x4 New Forest Safari, participants will drive round a specially developed off-road route with BORDA qualified instructors to provide expert guidance as they navigate the course. The emphasis here is on skill and precision rather than speed.

## CANOEING

Canoeing is a unique and wonderful way to see the beautiful Beaulieu River in the heart of the New Forest. Discover the sights and sounds of the nature reserve in comfortable 2 or 3-seater boats or paddle a stable single seater on a two-hour guided tour exploring hidden creeks and inlets. You will feel safe and confident getting to grips with your paddle and learning some new skills, whilst discovering the history and traditions of this remarkable river.

## PACKHORSE WALK

Enjoy a guided walking experience in the New Forest accompanied by one of Britain's rarest native pony breeds. The route follows one of the busiest smuggling trails in the Forest on which ponies laden with contraband carried goods in the 18th Century. The pace is leisurely and there are scheduled rest-stops along the way allowing plenty of time to bond with your pack pony companion. The walk follows tracks and paths in the northern part of the New Forest and takes in historic landmarks, as well as encounters with wildlife, commonable stock and panoramic views across the National Park. Packhorse walks take place from March to October for a maximum of 6 guests and last from a half day to a full day.

# Sea

The Solent is a unique stretch of water (the busiest for boating in the UK) and an area steeped in history and natural beauty, with pretty fishing ports and islands, and a wealth of activities in its many harbours and estuaries. Sheltered by the Isle of Wight, it is a perfect stage for a myriad of water- based activities and events.

## LAND, SEA AND AIR

Offering the ultimate WOW factor this adrenalin-fuelled event combines high-speed powerboats, off-road driving and an unforgettable helicopter ride. It can be offered as pure entertainment, or an element of team-building can be added with a series of challenges woven into each segment of the day.

## RIB TRASURE HUNT

A treasure hunt with a twist: it's fast and it's wet! Groups travel on high-speed Rigid Inflatable Boats (RIBs) capable of speeds in excess of 50 mph in this high-adrenaline adventure. Using Nexus 7 Tablets, teamwork and lateral thinking to solve cryptic clues, participants will complete a challenging scavenger hunt and photo mission finding secret locations on the beautiful Solent.

## SAILING REGATTA

An exciting and aspirational event, sailing days are designed to give guests the thrill of taking part in a regatta and are suitable for all abilities and levels of experience. It requires communication and cooperation to achieve a common goal: If the team doesn't work together and communicate effectively, the boat simply won't sail. Racing with a fully-qualified skipper and mate on identically matched yachts will ensure that participants get the maximum enjoyment from the experience.

## LUXURY POWERBOAT OR YACHT CHARTER

Chewton Glen is only 15 minutes door to shore, and what better way to entertain your colleagues or clients than on board a fantastic Sunseeker powerboat or luxury yacht. The hotel's chefs can provide a sumptuous hamper which your attentive crew will serve with chilled champagne whilst you sit back, relax and enjoy the stunning views of The Solent.

For a truly memorable day enjoy bespoke hospitality at one of these world-renowned events:

**ROUND THE ISLAND RACE (June/July)**

With over 2000 yachts taking part the Round The Island is one of the world’s most famous and spectacular sailing races which has taken place on the Solent every year since 1931. The race is a complete circumnavigation of the Isle of Wight starting on the Royal Yacht Squadron line just off Cowes.

**PANERAI BRITISH CLASSIC WEEK (July)**

This prestigious event sponsored by the luxury watch brand Panerai is the premier classic yacht regatta in the UK. It is a rare opportunity to see over 70 stunning classic sailing yachts from Britain and the rest of Europe, Australia and New Zealand racing on the Solent.

**COWES WEEK (August)**

Corporate hospitality at its finest, entertain your clients or team onboard a luxury sailing or motor yacht taking in the colourful atmosphere of one of the largest sailing events in the world. If you’d prefer a more hands-on experience, take on the pros with your own racing yacht and professional crew.

# The Bigger Picture

Creating art on a massive scale the group is challenged to make an over-sized reproduction of a well-known painting. Guests will be split into teams, with each completing one part of the final artwork, working together to collect inspiration and materials. Artistic talent is not required as there are many different roles to be filled. Teams will complete a series of challenges as part of the overall project testing both their mental and visual abilities, as well as their engineering skills.

At the end of the session the individual pieces are joined together to recreate the masterpiece. Participants become aware of the 'bigger picture' rather than purely focusing on individual tasks, demonstrating that teamwork gets better results than working alone.

## THE SWEET SMELL OF SUCCESS

With a host of celebrities creating signature fragrances, why shouldn't you do the same? Learn to identify and understand the properties of a range of exquisite essential oils sourced from the world's finest ingredients. Choose your favourite tones and then master the process of designing your own personal fragrance. As a memento of the session you will be presented with your perfume in a beautiful atomizer. This unique and creative event can be presented either as an individual experience, or as a half or full day team-building 'Apprentice' style challenge.

## HATS ENTERTAINMENT!

You will have the opportunity to learn the delicate art of making stunning hats and fascinators with a multi-award winning milliner. Benefiting from expert advice and the finest materials, create an exquisite and original headpiece worthy of Mr Selfridge which you will cherish for many years. You will be served delicate light bites and the finest teas presented on antique tea sets whilst you relax, build relationships and get creative.

### TREASURE OR TOSH?

Like 'Antiques Road Show' but with a twist, guests will enter a room filled with a variety of collectables and will be challenged to determine which ones are valuable antiques and which are car boot classics. With items from the elegant to the bizarre, budding antique dealers will be encouraged to inspect each piece to estimate its value and guess its provenance. An expert will be on hand to confirm or refute the participants' assessments. It's a fun and sophisticated icebreaker and an ideal accompaniment to pre-dinner drinks.

### CHEWTON'S GOT TALENT

Give your group the star treatment and an experience of the popstar highlife with an exclusive recording package at Beach Studios. A stone's throw from Chewton Glen, this state-of-the-art facility is fast becoming a favourite with big name musicians like Olly Murs, Pixie Lott, Conor Maynard, Little Mix, The Saturdays and Scouting For Girls. Your experience will begin with a tour and a chance to discuss your song choice and performance with a team of expert engineers and multiple-platinum producers. You will then record your song in the 500 sq ft live room, acoustically designed to be the optimum space to capture your sound.

### CRYSTAL CHALLENGE

A firm favourite with an array of cunning challenges that can be arranged in or outdoors. Embracing the classic TV shows 'The Krypton Factor' and 'The Crystal Maze', this event is a combination of both concepts, giving your guests an exceptional team-building experience. Each team faces a series of challenges suitable for participants of all ages and abilities that will test their cerebral skills and challenge them to organise the most effective team solution to each problem.

## HUNT OR BE HUNTED

This is your opportunity to experience the ultimate activity for adrenaline-focused groups. Delivered by the elite Hunters from the award-winning Channel 4 programmes *Hunted* and *Celebrity Hunted*, the event is completely immersive and utterly entertaining. Featuring drones, dogs and booby traps, Hunt Or Be Hunted encourages team work, leadership and problem-solving.

## Giving Back: Team Building with a purpose

People love to do things that matter and companies that encourage employees to take time to participate in events which give back to the community create a caring and fulfilling culture back in the workplace. You can organise a great team activity with a purpose and harness the energy and investment expended to deliver added value for your company and your participants. The following activities are both entertaining and empowering and in most cases can be run indoors and out.

### BIKE BUILD

This 2.5 hour challenge kicks off with a briefing and presentation from the chosen charity. Participants will learn how the bikes will be used creating a strong incentive and emotional bond for the group. Teams of 5-8 guests will each be allocated a professional workshop with all the tools and equipment required to build one bike, but before they can start one member of the team has to get *The Knowledge*.

*The Knowledge* session provides the designated individuals with the skills required to build the bike which they then share with the rest of their team before coming up with a plan. 'Curve balls' will be thrown at them along the way: insufficient budget, missing parts and other challenges to overcome. Teams may need to collaborate to ensure they get their bike built on budget and on time!

### ON BOARD

This 2 hour challenge combines a mixture of street cred, art and common sense, as team members work together to create a unique masterpiece on a skateboard. A briefing and presentation about the charity project that will receive the finished boards will create an emotional bond which helps focus the teams and makes their efforts worthwhile. Each team of 7 participants will build two skateboards. The teams will need to allocate roles including Yuda - responsible for overall project management and collating feedback; Banksies - tasked with interpretation of the brief and ensuring the deck meets the design

requirements; Elons - in charge of manufacture; and Hiroshiges - meeting the strict safety guidelines.

The teams will be provided with a brief including style, colour and theme. They will have to browse the shop to see what they can obtain and then take on challenges to gain the items they need. Once the teams have everything they need they can assemble and decorate their boards before presenting them to the whole group to demonstrate how they have fully met the brief. And of course at the end the newly built boards will be presented to the charity's representative.

## FUN HOUSE

Working in groups of 8-10, teams need to build, paint and decorate their own playhouse. All the parts, paints and materials required to complete the activity are included, along with a helpful support crew.

Each team starts with similar resources, tools and equipment, including money and a basic flat packed Fun House kit. Teams can purchase additional kit, tools and decorating items in order to complete their creation.

When finished the Fun Houses will be delivered to a deserving charity such as the NSPCC's Neglect programme or to a specific charity of your choosing.

## PERFORMANCE WHEELCHAIR CHALLENGE

Working in groups of up to 10, teams will build a sports wheelchair.

Each team will be provided with a chassis and some simple instructions. Team members must then acquire the additional parts needed to complete their wheelchair by taking part in crystal maze style challenges. They will also have to negotiate with the technicians if they need any assistance with the assembly.

When all the sports wheelchairs are finally assembled, the teams will face each other in a high stakes race, or compete in a wheelchair basketball match.

At the end of the event the sports wheelchairs will be donated to an all-ability sports club or an Armed Forces charity.

## BEACH CLEAN

The New Forest boasts 40 miles of spectacular coastline with magnificent views across the Solent. Within easy reach of Chewton Glen the sand and shingle beaches are popular with swimmers, surfers and families. If you've ever wandered along one of the cliff tops or sat on the sand you may have been moved to wonder how you can help care for these special places. We might just have the solution: you can participate in an organised Beach Clean team-building event to help keep them beautiful, and safe for visitors and wildlife. You will be provided with gloves, bags, litter-pickers, snacks and water; all you need to bring is your enthusiasm. If you feel like being adventurous, you can be transported between various beach locations on high-powered RIBs.

## CONSERVATIONIST FOR A DAY

Walking in the New Forest is an excellent way to enjoy the scenery, atmosphere and animals of this 100,000 acre National Park. In conjunction with the National Park Service we can arrange for your group to work alongside a Park Ranger. You will get up close and personal with the vast array of wildlife across the forest and experience the splendour of the heathland and moorland mix, whilst assisting with a specific restoration project: fence repairing, gorse burning or protecting the native rhododendrons. Provided with Chewton Glen picnic hampers and wellies, you will learn about the ancient ways of the forest and the modern practices necessary to sustain the heritage for many hundreds of years to come.

## COOKING WITH A CONSCIENCE

The perfect cookery event to help feed your body and spirit offers an opportunity for teams to enjoy an inspiring class in Chewton Glen's Kitchen Cookery School where they will create delicious dishes in double portions, donating half to those in need.

During the cookery workshop participants will learn new skills under the guidance of the Chef Tutor and prepare a nutritious and tasty meal, half of which will then be vacuum-sealed and distributed to a local homeless charity in Bournemouth. It's a fun, hands-on day for you and your team to bond with a truly purposeful outcome.

## CONVERSATION AND A CUPPA TEA PARTY

At Chewton Glen we offer a special event which combines the fun of baking with the enjoyment and fulfilment of helping to make a real difference to the lives of older people who have become isolated from family and friends. Working in conjunction with Contact the Elderly, the only national charity solely dedicated to tackling loneliness and social isolation amongst older people through face-to-face contact, your group will be challenged to create a tea party for a small group of local people aged 75 and over who live alone.

The day starts when the group meet their Chef Tutor at the Kitchen Cookery School. Participants will learn how to mix, bake, and slice & dice their way to create a fabulous treat in the great tradition of the hotel's famed Captain Marryat afternoon tea. Later that afternoon participants will host their older guests in a stylish private dining room with whom they will share the fruits of their labours and make a toast to friendship and fun with a celebratory glass of fizz.

# Speaking of which...

Key themes of 'Englishness' are brought vividly to life by three very special friends of Chewton Glen. As speakers for larger groups or welcome guests at more intimate gatherings, these three insiders offer fascinating insights into the social history and evolution of the English country house as a political power house, as well as into the spirit of discovery and adventure that has been associated with England for centuries.

## MANLEY HOPKINSON

An officer in the Royal Navy, Inspector in the Royal Hong Kong Marines, skipper in the BT Global Challenge and leader of a 3-man team that won the inaugural race to the Magnetic North Pole, Manley brings the wealth of all these experiences to his talks which motivate and entertain audiences around the world. A local hero and Lymington resident, Manley uses professional quality video and pictures taken during the BT Global Challenge and The Polar Race to illustrate his inspiring presentations.

## LORD MAURICE FERMOY

Lord Maurice Fermoy, an expert on British etiquette, will entertain and instruct you in English manners, aristocratic traditions and British society. His subjects range from Coats of Arms, Dining Etiquette, Old School Ties, History of the Aristocracy, Meeting the Royal Family, Drinks Parties, Dress Codes, and Scandalous English Country House Behaviour – all liberally embellished with stories and anecdotes. As first cousin to the late Diana Princess of Wales, and with a background including Eton, the Household Cavalry, and acting as a Page of Honour to Queen Elizabeth, Lord Fermoy brings truly first-hand experience to these themes..

## JESSICA FELLOWES

Best known for her work as author of five official companion books to a certain hit television show, Downton Abbey, four of her books have made it into The New York Times bestseller lists and she is in much demand as a speaker at events in the UK and US. As the niece of creator and scriptwriter Julian Fellowes, Jessica will share the identities of the real-life inspirations for the show, both historical characters and members of her extended family. As the former deputy editor of Country Life, Jessica also wrote the magazine's Townie's Guide to Country Weekends. The latter formed the basis of her first book, Mud & the City: Dos and Don'ts for Townies in the Country.

# Pamper

The sanctuary of the Spa at Chewton Glen offers the perfect antidote to today's increased stress levels. The hotel's extensive leisure facilities provide an optimal environment away from workplace distractions and pressures allowing guests to experience:

17-metre swimming pool | Hydrotherapy spa pool with hi-tech therapy options  
Relaxation room | Outdoor whirlpool | Cold drench showers | Crystal steam rooms  
Aromatherapy saunas | State-of-the-art gymnasium

## RELAX REWARD REVITALISE

What better way to boost morale and performance than rewarding your team with a relaxing Spa treatment? Chewton Glen offers a range of spa experiences including personalised body massages, and Haute Couture Facials.

## POWER HOUR

Discover the ultimate in indulgence with an exclusive Pamper Hour in the Spa's luxurious sun-lit Salon. Both men and women will enjoy the relaxed, social environment as they sink into plush over-stuffed chairs in the open-plan space. Champagne and soft drinks will add to the guests' experience as they enjoy a choice of Mini-Manicures or Pedicures.

What's cooking?

### COMPETITIVE COCKTAILS

Tinker's bar is an ideal spot to try the intoxicating art of cocktail making under the watchful eye of our top bottle spinners. After an initial tutorial in blending, teams will compete to create the perfect tipple. Trickier than it sounds, each team must explain the inspiration behind their creation, the technical details of its blend, along with the alcoholic content.

### VINES OF PASSION

English wine is growing in popularity and England is increasingly recognised as a premium wine producing region, with more than 450 vineyards. English sparkling wine has been highly praised for its quality, beating Champagne in major competitions. Chewton Glen is proud to have the largest list of English wines in the world and the hotel's Director of Wine Francesco Gabriele has created a stylishly entertaining and informative event which highlights this current trend. Pairing specially selected English wines with canapés and a bespoke four-course menu, Signor Gabriele will introduce each of the featured vineyards choreographed with a short video presentation and description of the individual wine and accompanying dish.

**FORAGING**

Foraging is growing in popularity with increasing enthusiasm for gathering healthy and nutritious food from wild and natural places. The trend is particularly relevant in today’s climate of unacceptable food waste and the demands from supermarkets for perfection. Add to this the current interest in creative events combining food and nature, and you have a perfect recipe for a memorable activity. In partnership with Naked Jam, the artisan producer of award-winning jams and preserves, groups can now experience bespoke foraging events at Chewton Glen. Enjoying a guided ramble tailored to the seasons, guests will explore acres of woodland and gardens with expert forager Jennifer Williams. There will be an opportunity to learn about and gather the wide range of seasonal wild foods that grow on the estate including hedgerow berries, leaves, flowers and fruits. Jennifer will then help the guests transform the day’s bounty into delicious cordials and cocktails which they can take home, along with the recipes and a souvenir guide to foraging.

**GREAT CG BAKE OFF**

Men and women all over the country have been inspired to reach for the oven gloves, roll up their sleeves and get baking. All the equipment and expertise will be available to help budding bakers have a go. Participants will work with a professional chef to make a variety of traditional and contemporary afternoon tea and other bakery items. After a short demonstration the chef will challenge teams to go head to head to make, bake and decorate their tasty treats whilst the clock is ticking.

**CANAPÉ CAPERS**

Cook up your own canapés in this tasty team-building event. In true Master Chef style, teams are provided with a variety of ingredients, and under the expert eye of the chef, must devise, design and deliver a selection of canapés within an allocated time. Cooking ability is a plus but creativity, careful planning as a team, attention to detail and the ability to remain calm under pressure are also a must for this competitive event.

**THE SWEET LIFE**

Our professional chef will school you in the fine art of creating delicious artisan chocolates. Armed with your newly-found knowledge, you and your party will divide into teams and be challenged to design, make and market your own brand of chocolates. In the style of ‘The Apprentice’, teams will then present their creations to “The Board” in the hope of winning the competition.

## COCKTAIL MASTERCLASS

The Kitchen is the perfect place to perfect the art of cocktail making under the watchful eye of our bar manager and top bottle spinners. After a welcome drink and brief tutorial in making the perfect cocktail you will mix up three of your own drinks.

Choose from a masterclass on 'Martinis,' Punches and the Perfect House Party Drinks', a seasonal special with 'Follow the Season' or 'Bespoke your Drink' and select some of your favourite cocktails to learn all about.

## Nearby Venues

### BEAULIEU: NATIONAL MOTOR MUSEUM AND PALACE HOUSE

In an idyllic New Forest setting, overlooking the picturesque Beaulieu River millpond, Palace House on the Beaulieu Estate was remodeled and extended during the 1800s and is now a fine example of a Victorian country house. Inside, its ecclesiastical heritage sets the grand gothic tone for a home bristling with character and adorned with family treasures, portraits and memorabilia. Also on the estate, the National Motor Museum at Beaulieu boasts one of the finest collections of cars, motorcycles and motoring memorabilia in the world, from the earliest motor carriages to classic family saloons. Located in the New Forest just 25 minutes from Chewton Glen, both venues are ideal for private hospitality.

### SOMERLEY

Set in a private 7,000-acre estate this beautiful stately home, designed by Samuel Wyatt in 1750, has been in the Normanton family for five generations since it was bought by the 2nd Earl in 1825. The current custodian of Somerley, Lord Somerton, will open the house for exclusive use for corporate hospitality offering total privacy within the gracious surroundings of the State Rooms and Gallery which are filled with spectacular paintings and antique porcelain.

### SAMMY MILLER MOTORCYCLE MUSEUM

Sammy Miller is a motorcycling legend, 11 times British Champion, winner of over 1400 events and still winning competitions more than 50 years after his first victory. Located just 10 minutes from Chewton Glen his eponymous Museum houses one of the finest collections of fully restored motorcycles in Europe, including factory racers and exotic prototypes, plus memorabilia spanning seven decades of motorcycling. This is a fun and unusual venue for a private group event.

Truly Gifted

Guests treasure happy memories of Chewton Glen and the hotel's Boutique features an exclusive line of speciality gifts that will keep them alive. From luxurious robes to whimsical teddys the collection offers an assortment of indulgent treats and distinctive mementos.
