

Basement Late

YOUR CHRISTMAS PARTY

ABOUT

Basement Sate brings a hearty dose of Parisian chic to the centre of Soho. A venue with its fingers in many pies, this is your go-to bar if you're searching for a quick sweet nibble, a drink with friends and some hardcore dancing towards the end of the night.

The bar itself embodies the characteristics of London's finer bars; dark wood, intimate spaces, exposed brick and design-led interiors. The focus here is more on the details in the food and drinks however.

Basement Sate serves exquisite dessert plates to pair with their alcoholic concoctions. For your Christmas parties savory finger food are also available. So go on and satiate your curiosity - and your sweet tooth - on a late night venture into central London sometime soon.
