Haarlemmermeerse Bos  
GREATER AMSTERDAM

A WELL-KEPT SECRET SURROUNDED BY TREES AND THE LAKE

# Adventure awaits! Go find it yourself!

We create an informal and intimate atmosphere at Papa's these months. Imagine yourself in a wintry lodge and warm yourself to the hospitable welcome from our team. Together with our executive chef Ivar Kronenburg, we fully got to work again and we proudly present our beautiful innovative food concepts with great attention to quality, service and ambiance.

Totally new is a special deal this winter to rent Papa's Beach House exclusively for your event.

We also introduce two new food concepts, of which "A moveable feast" is inspired by the special places Hemingway travelled to and "The Keys", a sharing concept where sustainability is "key".

Enjoy "your home" away from home!
