

COVID secure events at the design museum

We are delighted to announce that the Design Museum has been accredited by Visit Britain and Visit England with their 'We're Good to Go' mark.

We are pleased to share some of the new precautions the Design Museum has put in place for event safety, including:

- Enhanced cleaning, with a focus on touch points
- Hand sanitiser available upon entry and egress of the museum
- Reduced capacities in event spaces to allow for social distancing
- Face coverings to be worn by all staff working on the event
- Mandatory use of face coverings in exhibition spaces for staff and guests
- One-way routes in place wherever possible
- Details of all event staff and guests kept on record for 21 days to enable track and trace
- Outdoor registration for events
