

THE SKYSCAPE

BY RICHARD HUTTEN

THIS ROOM IS SET UP
IN THE CLOUDS

With his head in the clouds. That is where Richard Hutten sat while he was designing 'The Skyscape'. In this room, large groups can escape to the sky: attend inspiring presentations and sessions while sitting on the by Hutten-designed chairs. Surrounded by a curtain made of an aerial photograph. Your presentations will defy gravity. A large space that, despite his size, feels personal. The most beautiful colours shine bright throughout the ceiling. Which continuously change. Can you feel the magic in this room?
