And now you ask in your heart,

“How shall we distinguish that which  
is good in pleasure from  
that which is good?”

Go to your fields and your gardens,  
and you shall learn that it is the  
pleasure of the bee to gather honey  
of the flower,

But it is also the pleasure of the flower  
to yield its honey to the bee

For to the bee a flower is  
a fountain of life,

And to the flower a bee is a  
messenger of love,

And to both, bee and flower,  
the giving and the receiving of  
pleasure is a need and an ecstasy.

“The Prophet”, Khalil Gibran
