## WeKnow

## WEKNOW SUSTAINABLE TRAVEL

To enhance the service experience for our guests, the London Heathrow Marriott is delighted to announce our partnership with **WeKnow**, a sustainable transportation company based at Heathrow Airport.

**WeKnow** offers zero emissions car transfers using a fleet of luxury all electric Jaguar I-PACE's, providing efficient, prompt transport. They are ideal for Meet and Greet services and available to all guests for their transportation needs. A unique feature of the booking tool measures CO2 emission savings for individual journeys. Convenient and stress free, the fleet of electric vehicles are environmentally friendly and a perfect match for our sustainability conscious hotel.
