

For groups of 10 people or more we ask that a deposit of £5 per head is paid at least 48 hours in advance of your booked date. The deposit will be deducted from your final bill, to which a 10% service charge will automatically be added for the downstairs and stage area, and a 12.5% charge for the first floor private rooms. Remember to check with your server should you have any allergies at the time of ordering your meal. Please note that for full day hire there is an extra charge of £1000+VAT for use of all staff on hand.
